PL

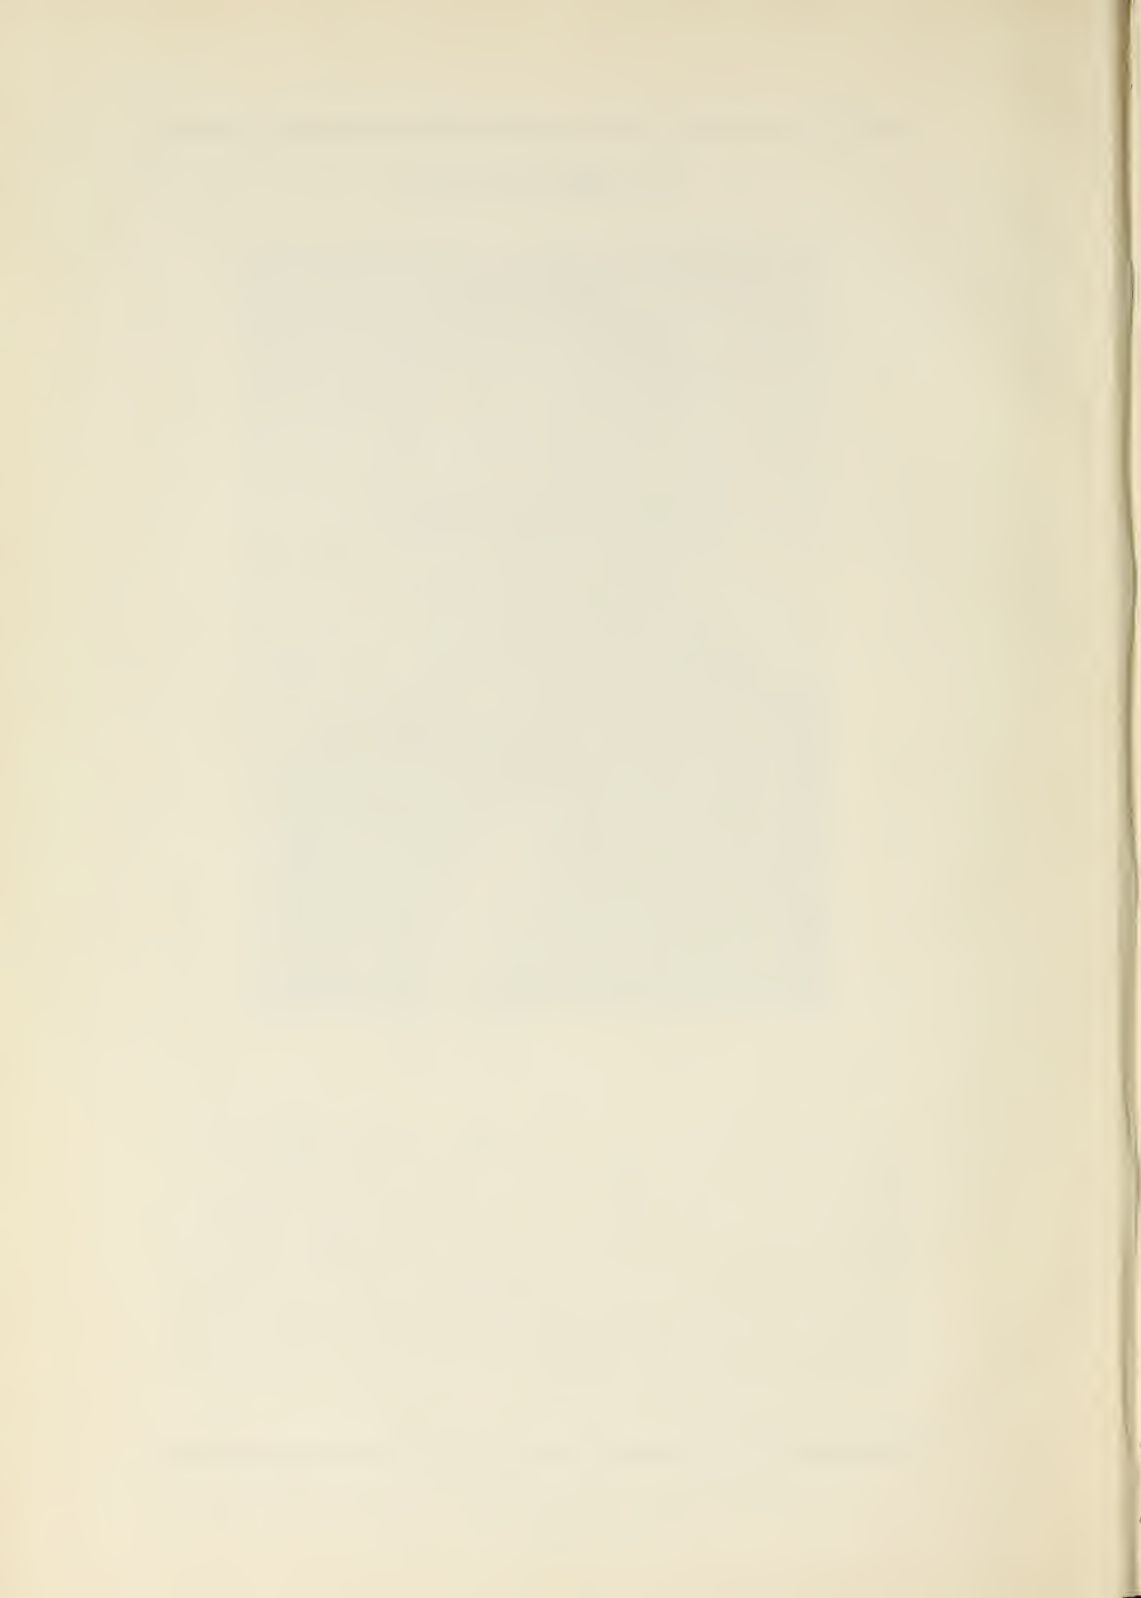

In Memoriam

JOHN A. KENNEDY

The Town lost an efficient and valued employee in the sudden death on October 2, 1961 of John A. Kennedy. Mr. Kennedy had worked for the Highway Department from 1938 to 1945 when he was elected Tree Warden, holding that position until the time of his death. He will be missed not only by his associates but by all those who had occasion to do business with him as the Town's Tree Warden, Moth Superintendent and a member of the Town Forest Committee.

Special Town Meeting, March 25, 1961

The Special Town Meeting was called to order by the Moderator, George A. White, at 1:40 p.m.

The number of Town Meeting Members present as reported by records of Robert Marvelli, Arsene Strassel, Alton Leeson and Carleton Kendrick, checkers, was 188.

The Moderator declared a quorum present.

The new Town Meeting Members were sworn to the faithful performance of their duties by M. Herbert Craig, Town Clerk.

The Moderator read the opening of the posting and return of the warrant.

On motion of Dr. Samuel K. Stewart, Chairman of the Plymouth-Carver Regional District School Committee, it was voted to allow Mr. Edward Nicolas, Superintendent of the Plymouth Schools and Mr. Leonard Quann of the Architectural firm to speak on the proposed Regional School and to show drawings and slides.

Mr. Paul Withington moved for the vote on the Plymouth-Carver Regional School question to be by ballot and it was so voted.

Article 1. To see whether the Town will vote to approve or disapprove the amount of debt (to wit: \$2,550,000) authorized by the Plymouth-Carver Regional District School Committee at a meeting held on February 23, 1961, for the purpose of constructing, originally equipping and furnishing a regional high school building.

Voted: By ballot, 121 voting in the affirmative, 65 voting in the negative, that the Town approve the amount of debt, to wit: \$2,550,000, authorized by the Plymouth-Carver Regional District School Committee, for the purpose of constructing, originally equipping and furnishing a regional high school building.

At 3:45 p.m. March 25, 1961, it was voted to adjourn.

M. HERBERT CRAIG, Town Clerk.

Annual Town Meeting, March 25, 1961

Adjourned Town Meetings, March 27, 28 and 29, 1961

Including Recommendation by the Advisory and Finance Committee

The Meeting was called to order by the Moderator, George A. White, at 3:45 o'clock p.m.

The number of Town Meeting Members present March 25 was 188, March 27—174, March 28—157 and March 29—148, as reported by records of Robert Marvelli, Arsene Strassel, Carleton Kendrick and Alton Leeson, checkers.

The Moderator declared a quorum present March 25, 27, 28 and 29, 1961.

The Moderator read the opening of the posting and return of the warrant.

Article 2. To see if the Town will vote to authorize the broadcasting of the 1961 town meeting and appropriate \$400 for the expenses thereof provided that the Town receives from the broadcasting facilities a tape recording of the entire proceedings of the meeting so broadcast.

The Committee recommends favorable action and an appropriation of \$200. for broadcasting and tape recordings of the entire proceedings of the meeting.

Voted: That the Town authorize the broadcasting of the 1961 Town Meeting and appropriate \$400 for the expenses thereof, provided that the Town receives from the broadcasting facilities a tape recording of the entire proceedings of the meeting so broadcast.

Article 3. To hear reports of the several boards of officers and Committees of the town and act thereon.

Voted: That the reports of the several boards of officers and committees of the Town be accepted and placed on file.

Mr. Ralph Drew read the report of the Plymouth Redevelopment Authority.

Mr. C. Harvey Moore read the report of the Manomet Fire Station Committee.

Mr. William H. Armstrong reported on the Senior High School Building Committee.

March 25, 1961

**THE SECOND REPORT TO THE TOWN OF PLYMOUTH
OF THE SEWAGE DISPOSAL COMMITTEE**

Ladies and Gentlemen:

Progress in the last year on the sewage disposal committee has been very slow. Most of the work performed during this time has been by our consulting authority, Professor Rolf Eliasson and his associates. They have been in communication with the State Department of Public Health. They have also gone over the plans of the United States Corps of Engineers for future development of the Plymouth Harbor facilities. At the present time, they are in the process of writing a final report to this committee. We shall then be in a position to make our own report to the Town at a later date.

Since the committee is not, at this time, able to give final recommendations to the Town, it is requested that the committee be reinstated for the coming year. We do not see any need, at this time, for further appropriations.

The committee feels that it is making definite progress with this problem and that the cooperation of the State Department of Public Health with both the committee and its representatives have been excellent.

Yours truly,

JOHN E. GILMORE, M.D., Chairman
Sewage Disposal Committee

JEG:LLL

Committee:

Dr. John E. Gilmore
Raymond E. Miskelly, Secretary
H. P. Barnes

A. V. Caramello
W. J. Harrington
E. Malaguti
J. A. Thom

Article 4. To see if the Town will vote to authorize the Town Treasurer with the approval of the Selectmen to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1962 and to issue a note or notes therefor payable within one year and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

Voted: That the Town authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1962 and to issue a note or notes therefor payable within one year and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

Article 5. To see if the Town will vote to amend the Wage and Salary Classification By-law in accordance with the recommendations of the Personnel Board presently filed with the records of said Board.

The Personnel Board and the Finance Committee recommend that Schedule A and Exhibit B of the Wage and Salary Classification by-law be amended by substituting therefor the following Schedule A and Exhibit B, to be effective as of January 1, 1961:

SCHEDULE A

ADMINISTRATIVE AND CLERICAL

Clerk	Registrar-Office Supervisor
Clerk-Stenographer	Secretary
Director of Public Assistance	Senior Clerk
Dispensing Clerk	Senior Clerk-Stenographer
Executive Secretary	Superintendent

APPENDIX

1. Clerical work for the Retirement System is not included in the proposed salary shown.
2. Seasonal. The proposed salary shown is based on a full-time position.
3. This classification to be effective as of April 1, 1961. The salary of the present incumbent shall be at the rate of \$4,542 a year, with maintenance provided in addition, for the period from January 1 to March 31, 1961.
4. This classification to be effective as of April 1, 1961. The salary of the present incumbent shall be at the rate of \$4,235 a year, with maintenance provided in addition, for the period from January 1 to March 31, 1961.

Note: In all "C" grades and in all "F" grades, except that of Director, the salary ranges shown are based on the hours per week as shown. Any change in hours worked will change the salaries paid in the same proportion.

Voted: That the Town amend the Wage and Salary Classification By-Law in accordance with the recommendations of the Personnel Board as shown in the printed report of the Advisory and Finance Committee, but deleting as of December 1, 1961, under Health and Public Safety, the combination position of Sanitary Inspector-Sealer of Weights and Measures, and substituting therefor the separate positions of Sealer of Weights and Measures, single rated at \$1,034 and Registered Sanitarian, A-3, minimum salary \$4,723, maximum \$5,224, effective December 1, 1961.

Mr. Peter Billey moved to amend the motion of Mr. Henderson as it applies to the Personnel Board's recommended change in the Wage and Salary By-Law by adding thereto the following: Schedule A — Administrative and Clerical — Assistant Water Superintendent: Exhibit B — Water Department — Assistant Superintendent Grade A-3 Salary — Minimum \$4,723, Maximum \$5,250. Voting by a show of hands, 65 in the affirmative, 90 in the negative, the motion to amend was lost.

Article 6. To see what action the Town will take with regard to fixing the salaries of elected Town Officers.

The Committee recommends that the salaries of elected town officers be set, as of January 1, 1961, as follows:

Moderator	\$30.00
Chairman of Selectmen	800.00
Other Selectmen (each)	400.00
Chairman of Assessors	5,500.00
Other Assessors (each)	4,499.25
Town Clerk	2,861.00
Town Treasurer	2,861.00
Collector of Taxes	4,986.00
Tree Warden	2,735.00

Voted: That the salaries of elected Town Officers be set, as of January 1, 1961, as follows:

Moderator	\$30.00
Chairman of Selectmen	800.00
Other Selectmen (each)	400.00
Chairman of Assessors	5,500.00
Other Assessors (each)	4,499.25
Town Clerk	2,861.00
Town Treasurer	2,861.00
Collector of Taxes	4,986.00
Tree Warden	2,735.00

Article 7. To provide for a Reserve Fund and to determine what sums of money the Town will raise and appropriate, including appropriations from available funds, to defray charges and expenses of the Town, including debt and interest, for the ensuing year.

Article 8. To take such action as the Town shall see fit in aid of the Plymouth Public Library, including the Loring Branch Library.

The Committee recommends an appropriation of \$49,518, including the Dog Tax of \$2,280.22, of which appropriation \$38,343 shall be for Salaries and \$11,175 for Other Expenses.

Mr. Charles Henderson moved that the Town raise and appropriate the sum of \$49,518, including the dog tax of \$2,280.22, in aid of the Plymouth Public Library, including the Loring Branch Library, of which appropriation \$38,343 shall be for salaries, and \$11,175 for Other Expenses.

Mr. Benjamin Brewster moved to amend Mr. Henderson's recommendation by substituting the following: That the Town raise and appropriate the sum of \$50,556, including the dog tax of \$2,280.22, of which appropriation \$39,381 shall be for salaries, and \$11,175 for Other Expenses.

Mr. Benjamin Brewster moved that his motion be taken by ballot and it was so voted.

Voting by ballot, 68 in the affirmative, 99 in the negative, the motion to amend was lost.

The original motion was put before the Town and voted.

Article 9. To see if the Town will appropriate a sum not exceeding \$2,250 in aid of the Manomet Public Library.

The Committee recommends an appropriation of \$2,250.

Voted: That the Town raise and appropriate the sum of \$2,250 in aid of the Manomet Public Library.

Article 10. To see if the Town will vote to raise and appropriate \$8,000 for nursing services by the Plymouth Community Nurse Association, Inc.; said appropriation to be expended under the direction of the Board of Selectmen.

The Committee recommends an appropriation of \$8,000.

Voted: That the Town raise and appropriate the sum of \$8,000 for nursing services by the Plymouth Community Nurse Association, Inc., said appropriation to be expended under the direction of the Board of Selectmen.

Article 11. To see what amount the Town will vote to raise and appropriate for the use of the Plymouth County Trustees for County Aid to Agriculture, and to authorize the Selectmen to appoint a director in accordance with Chapter 319 of the Acts of 1957.

The Committee recommends favorable action and an appropriation of \$150.

Voted: That the Town raise and appropriate the sum of \$150 for the use of the Plymouth County Trustees for County Aid to Agriculture and to authorize the Selectmen to appoint a Director for the term of one year.

Article 12. To see if the Town will vote to amend the existing Zoning By-law by substituting therefor the proposed Zoning By-law as reported to the Town Meeting by the Plymouth Planning Board; and to make an appropriation for administrative expenses.

In accordance with the recommendations of the Planning Board, the Committee recommends adoption of the Proposed Zoning By-Law, as printed in the back of this report, and an appropriation of \$1,000 for administrative expenses.

Voted: By a show of hands, 143 in the affirmative, 1 in the negative, that the Town amend the existing Zoning By-Law, by substituting therefor the proposed Zoning By-Law, as reported to the 1961 Town Meeting by the Planning Board of Plymouth and shown on pages 37-44 incl. of the Advisory and Finance Committee Report, including the maps referred to therein and on file in the office of the Town Clerk, except that in the first sentence of Sect. VII—A, the words "Building Inspector" shall be replaced by the words "Board of Selectmen," and to raise and appropriate the sum of \$1,000 to be expended under the direction of the Board of Selectmen for administrative expenses including clerical services.

Mr. Reubin Winokur moved to amend by adding the following section to Section III—G:

(e) Detached one and two family dwelling houses.

The motion to amend was lost.

Article 13. To see what amount the Town will vote to raise and appropriate for advertising the advantages of the Town and for providing amusements or entertainments of a public character; said appropriation to be expended under the direction of the Board of Selectmen.

The Committee recommends an appropriation of \$12,500 for advertising the advantages of the town, **but not** for providing amusements or entertainments of a public character, said appropriation to be expended under the direction of the Board of Selectmen.

Voted: That the Town raise and appropriate \$12,500 for advertising the advantages of the Town, but not for providing amusements or entertainments of a public character, said appropriation to be expended under the direction of the Board of Selectmen.

Article 14. To see what amount the Town will vote to raise and appropriate to meet the payment of certain bills contracted prior to January 1, 1961 or take any action relative thereto.

The Committee recommends an appropriation of \$3,330., \$3,078. for the Police Department and \$252. for the Board of Public Welfare.

Voted: (Unanimously) That the Town raise and appropriate \$3,330 to meet the payment of certain bills contracted prior to January 1, 1961; \$3,078 by the Police Department and \$252 by the Board of Public Welfare.

Article 15. To see if the Town will vote to raise and appropriate \$2,000 for Christmas Lighting; said appropriation to be spent under the direction of the Board of Selectmen.

The Committee recommends an appropriation of \$2,000., to be spent under the direction of the Board of Selectmen.

Voted: That the Town raise and appropriate \$2,000 for Christmas Lighting, to be spent under the direction of the Board of Selectmen.

Article 16. To see if the Town will vote to raise and appropriate \$1,200 from the Memorial Building Parking Lot Fund for operating expenses thereof or take any action in relation thereto.

The Committee recommends no action.

Mr. Charles Henderson moved that the Town take no action on Article 16.

Mr. Howard P. Barnes moved to amend the motion of Mr. Henderson by substituting the following: That the Town appropriate or advance from the Memorial Building Parking Lot Fund the sum of \$1,200 to cover operating expenses in 1961, as described under Article 19 of March, 1959, and it was so voted.

Article 17. To see if the Town will vote to raise and appropriate or transfer from unappropriated funds in the treasury, a sum of money for Chapter 90 Construction and Chapter 90 Maintenance, or take any action in relation thereto.

Purpose	State Share	County Share	Town Share	Total
White Horse, Taylor Ave. & Beaver Dam Rd.	\$22,000	\$11,000	\$11,000	\$44,000

Sandwich St.	20,000	10,000	10,000	40,000
Maintenance	3,000	3,000	3,000	9,000
	<hr/>	<hr/>	<hr/>	<hr/>
	\$45,000	\$24,000	\$24,000	\$93,000

The Committee recommends an appropriation of \$93,000., the Town's share, amounting to \$24,000., from the tax levy, the State and County shares, amounting to \$69,000. from available funds.

Voted: That the Town raise and appropriate \$93,000, for Chapter 90 Maintenance and Construction, \$24,000 from the tax levy of the current year to meet the Town's share of the cost and \$69,000 from available funds to meet the State and County shares of the cost, the reimbursement from the State and County to be restored, upon their receipt, to unappropriated funds in the Treasury.

Mr. Whipple moved to amend, and it was voted, by adding the following:

Purpose	Share	State Share	County Share	Town Total
White Horse, Taylor Ave. and Beaver Dam Rd.	\$22,000	\$11,000	\$11,000	\$44,000
Sandwich Street	20,000	10,000	10,000	40,000
Maintenance	3,000	3,000	3,000	9,000
	<hr/>	<hr/>	<hr/>	<hr/>
	\$45,000	\$24,000	\$24,000	\$93,000

Article 18. To see if the Town will vote to raise and appropriate \$5,000 for the purchase of a 4-yard Body Truck for the Highway Department and dispose of the 1954 Dodge truck now in use.

The Committee recommends an appropriation of \$4,500.

Voted: That the Town raise and appropriate \$4,500 for the purchase of a 4-yard Body Truck for the Highway Department and to dispose of the 1954 Dodge truck now in use.

Article 19. To see if the Town will vote to raise and appropriate \$1,980 for the purchase of two 9-foot snowplows for the Highway Department.

The Committee recommends an appropriation of \$1,980., and further that these items be put out on bids as a single purchase.

Voted: That the Town raise and appropriate \$1,980 for the purchase of two (2) 9-foot snowplows for the Highway Department, and instruct the department to put these items out on bids as a single purchase.

Article 20. To see if the Town will vote to raise and appropriate \$4,900 for the purchase of two jet sandspreaders for the Highway Department.

The Committee recommends an appropriation of \$2,450 for one (1) Jet Sandspreader.

Voted: That the Town raise and appropriate \$2,450 for the purchase of one (1) Jet Sandspreader for the Highway Department.

Article 21. To see if the Town will vote to raise and appropriate \$16,270 for the purchase of one snowloader for the Highway Department.

The Committee recommends an appropriation of \$4,000. to be used for the purchase of one reconditioned Snowloader.

Voted: That the Town raise and appropriate \$4,000 for the purchase of one reconditioned Snowloader for the Highway Department.

Article 22. To see if the Town will vote to raise and appropriate \$8,750 for the purchase of a tractor loader and back hoe combination for the Highway Department.

The Committee recommends an appropriation of \$8,200. for the purchase of one Tractor Loader and Back Hoe Combination, for use of all departments of the Town, and under the jurisdiction of the Highway Department.

Voted: That the Town raise and appropriate \$8,200 for the purchase of one Tractor Loader and Back Hoe Combination, for the Highway Department, for use by any departments of the Town.

Article 23. To see what amount the Town will vote to raise and appropriate for the purchase of one sidewalk plow for the Highway Department.

The Committee recommends no action.

Mr. Charles Henderson moved that the Town take no action under Article 23.

Mr. Walter Haskell moved to amend by substituting that the Town raise and appropriate the sum of \$5,575 for the purchase of one sidewalk plow for the Highway Department but the motion to amend was lost.

The original motion was put before the meeting and carried.

Article 24. To see if the Town will vote to raise and appropriate \$3,500 to install a curb and sidewalk on Nick's Rock Road. (By Petition)

The Committee recommends no action.

Voted: That the Town take no action under Article 24.

Article 25. To see what amount the Town will vote to raise and appropriate to pay land damages in connection with the new County layouts of Beaver Dam and Clark Roads, Nook Road and South Street.

The Committee recommends an appropriation of \$2,062.

Voted: (Unanimously) That the Town raise and appropriate the sum of \$2,062 to pay land damages in connection with the new County layouts of Beaver Dam and Clark Roads, Nook Road and South Street.

Article 26. To see if the Town will vote to raise and appropriate \$3,000 for the purchase of a hydraulic sprayer for the Tree Warden's Department and dispose of the 1936 model sprayer now in use.

The Committee recommends an appropriation of \$3,000., and disposal of the 1936 Model Sprayer now in use.

Voted: That the Town raise and appropriate \$3,000 for the purchase of a Hydraulic Sprayer for the Tree Warden's Department, and to dispose of the 1936 Model Sprayer now in use.

Article 27. To see if the Town will vote to accept twenty cemetery perpetual care funds, amounting to \$6,625, received and deposited in the Plymouth Federal Savings and Loan Association in the year 1960, in accordance with the usual votes of the Cemetery Commissioners and Selectmen and listed as "New Funds" in the town report.

The Committee recommends favorable action.

Voted: That the Town accept twenty cemetery perpetual care funds, amounting to \$6,625, received and deposited in the Plymouth Federal Savings and Loan Association in the year 1960, in accordance with the usual votes of the Cemetery Commissioners and Selectmen, and listed as "New Funds" in the town report.

Article 28. To see if the Town will vote to appropriate \$1,000 from the sale of Cemetery Lots and Graves, to be expended by the Board of Cemetery Commissioners for the embellishment and improvement of the Outlying Cemeteries.

The Committee recommends an appropriation of \$1,000. from the Sale of Cemetery Lots and Graves Fund.

Voted: That the Town raise and appropriate from the Sale of Cemetery Lots and Graves Fund \$1,000, to be expended by the Cemetery Commissioners for the embellishment and improvements of the Outlying Cemeteries.

Article 29. To see if the Town will vote to raise and appropriate \$2,000 for the purchase of a pick-up truck for the Cemetery Department; said appropriation to be spent under the direction of the Cemetery Commissioners.

The Committee recommends an appropriation of \$2,000.

Voted: That the Town raise and appropriate \$2,000 for the purchase of a pick-up truck for the Cemetery Department.

Article 30. To see if the Town will vote to raise and appropriate \$6,200 for the purchase of a billing machine for the Assessors' Department.

The Committee recommends an appropriation of \$5,500.

Voted: By a show of hands, 84 in the affirmative, 64 in the negative, that the Town raise and appropriate \$5,500 for the purchase of a Billing Machine, provided this machine is to be utilized jointly by both Assessors' and Tax Collector's Departments, and under the jurisdiction of the Assessors' Department.

Mr. Francis Shea moved to postpone action on Articles 31 and 33 until the next session of this adjourned meeting and it was so voted.

Article 32. To see if the Town will vote to raise and appropriate the sum of \$3,000 for the purchase of a new 1½ ton dump truck for the Park Department and dispose of the 1954 Ford dump truck now in use; said appropriation to be expended under the direction of the Park Department.

The Committee recommends an appropriation of \$300. for purchase of tires and other repair work on the 1954 Ford dump truck.

Voted: That the Town raise and appropriate \$300 for the purchase of tires and other repair work on the 1954 Ford Dump Truck for the Park Department.

Article 34 To see what action the Town will take relative to the acquiring, construction and maintenance of a town-operated playground in the Chiltonville area of Plymouth, and make an appropriation therefor. (By Petition)

The Committee recommends no action.

Voted: That the Town take no action under Article 34.

Article 35. To see if the Town will vote to raise and appropriate \$3,200 to purchase and equip one ambulance cruiser for the Police Department and trade in one 1954 Pontiac Sedan.

The Committee recommends no action.

Mr. Charles Henderson moved that the Town take no action under Article 35.

Mr. Charles C. Wall moved to amend the motion of Mr. Henderson by substituting: That the Town raise and appropriate \$3,200 to purchase and equip one ambulance cruiser for the Police Department and trade in one 1954 Pontiac Sedan, but the motion to amend was lost.

The original motion was put before the Meeting and carried.

At 10:50 o'clock p.m. on motion of Mr. Howard Barnes it was voted to adjourn until Tuesday, March 28th at 7:30 p.m.

ADJOURNED TOWN MEETING, MARCH 28, 1961

The Meeting was called to order by the Moderator at 7:40 o'clock p.m.

Mr. Charles Henderson moved, and it was voted, that the Town consider Article 31, action on which had been postponed at the March 27th Meeting.

Article 31. To see if the Town will vote to purchase or take by eminent domain for public purposes and the protection of the fishing industry of the town, the lots of land between Eel River and Warren's Cove on Plymouth Beach and shown as Lots 1, 2, 3, 4 and 5 on Plan No. 3383C filed in the Land Registration District of Plymouth County "Subdivision Plan of Land in Plymouth, Delano & Keith, Surveyors," dated August 29, 1958 and make an appropriation therefor; said land

to be under the jurisdiction of the Park Department of the Town.

Recommendation will be made at Town Meeting. The Planning Board recommends.

Voted: (Unanimously) That the Town purchase or take by eminent domain for public purposes, the lots of land between Eel River and Warren's Cove on Plymouth Beach and shown as Lots 1, 2, 3, 4 and 5 on Plan No. 3383C filed in the Land Registration District of Plymouth County "Subdivision Plan of Land in Plymouth, Delano & Keith, Surveyors," dated August 29, 1958 and appropriate \$9,000 to purchase those lots which may be acquired by purchase and for expenses for acquiring titles; said land to be under the jurisdiction of the Park Department of the Town.

Mr. Charles Henderson moved, and it was so voted, that the Town consider Article 33, action on which had been postponed at the March 27th Meeting.

Article 33. To see if the Town will vote to raise and appropriate \$1,200 for the construction of a ramp on the end of the wall at Plymouth Beach for use of fishermen; said appropriation to be expended under the direction of the Board of Selectmen.

The Committee makes no recommendation.

Voted: That the Town take no action under Article 33.

Article 36. To see if the Town will vote to raise and appropriate \$3,650 to purchase and equip one 4-wheel drive vehicle for the Fire Department.

The Committee recommends no action.

Mr. Charles Henderson moved that the Town take no action under Article 36.

Mr. Charles C. Wall moved to amend the motion of Mr. Henderson by substituting: That the Town raise and appropriate \$3,650 to purchase and equip one 4-wheel drive vehicle for the Fire Department. Taken by a show of hands, 51 in the affirmative, 87 in the negative, the motion to amend was lost.

The original motion was put before the Meeting and carried.

Article 37. To see if the Town will vote to raise and appropriate \$3,200 to purchase 2,000 feet of 2½" hose for the Fire Department.

The Committee recommends an appropriation of \$3,200.

Voted: That the Town raise and appropriate \$3,200 for the purchase of 2,000 feet of 2½" hose for the Fire Department.

Mr. Charles Henderson moved that the Town take up Articles 38, 39 and 40 as one article, and it was so voted.

Article 38. To see if the Town will vote to authorize the Commissioners of Public Safety to appoint an inspector(s) of gas piping and gas appliances in accordance with Chapter 737 of the Acts of 1960.

The Committee recommends that a Committee of three, excluding any town official, or member of the trades concerned, be appointed by the Moderator, to study the entire program of plumbing, gas, gas piping and appliances, and wire and building inspections, concerning by-laws required, duties, salaries, fees and permits, and to report at the next annual town meeting.

Article 39. To see if the Town will vote to amend the Building Code of the Town of Plymouth and add the words "or Inspectors," to read as follows: "Section 17a. The Commission of Public Safety shall appoint annually, in April, an Inspector or Inspectors of Buildings who shall hold office one year from the first day of May in the year of appointment and until another is appointed and qualified unless sooner removed. Said Inspectors shall be removable at the pleasure of the Commission and a vacancy may be filled at any time for the unexpired term. They shall receive such compensations as the Town may from time to time determine. The said Inspectors shall not inspect their own work or any building in which they are interested."

See recommendation under Article 38.

Article 40. To see if the Town will vote to instruct the Commissioners of Public Safety to appoint a Wire Inspector and alternate Wire Inspector in accordance with the provisions of Section 32, Chapter 166 of the General Laws, as amended, and appropriate the sum of \$2,500 for salary and expenses.
(By Petition)

See recommendation under Article 38.

Voted: That a Committee of three, excluding any town official or member of the trades concerned, be appointed by the Moderator, to study the entire program of Plumbing, Gas, Gas Piping and Appliances, and Wire and Building Inspections, concerning by-laws required, duties, salaries, fees and permits, and to report at the next Annual Town Meeting.

Article 41. To see if the Town will vote to create a committee of five, one of whom will be from the School Committee, to be appointed by the Moderator to study the extent of need for an addition to the Manomet Elementary School and to appropriate the sum of \$250 for necessary expenses; this committee to report its recommendations to the Town as soon as practicable, but no later than the next annual town meeting.

The Committee recommends favorable action and an appropriation of \$250. for expenses.

Voted: That the Town create a committee of five, one of whom will be from the School Committee, to be appointed by the Moderator to study the extent of need for an addition to the Manomet Elementary School and to appropriate \$250 for necessary expenses; this committee to report its recommendations to the Town on or before the next annual Town Meeting.

Article 42. To see if the Town will vote to raise and appropriate \$1,800 for the purchase of a ½-ton pick-up truck for the Water Department and dispose of the 1957 ½-ton pick-up truck now in use.

The Committee recommends an appropriation of \$1,650.

Voted: That the Town raise and appropriate \$1,650 for the purchase of a ½ ton pick-up truck for the Water Department and to dispose of the 1957 ½ ton pick-up truck now in use.

Article 43. To see if the Town will vote to raise and appropriate \$4,100 for the purchase of a portable air compressor with paving breaker and necessary tools for the Water Department and dispose of the 1943 Ingersoll Rand Compressor now in use.

The Committee recommends an appropriation of \$500. to repair the 1943 Ingersoll Rand Compressor now in use.

Mr. Charles Henderson recommended that the Town raise and appropriate \$500 to repair the 1943 Ingersoll Rand Compressor now in use by the Water Department.

Mr. Benjamin Brewster moved to amend the recommendation of Mr. Henderson by substituting the following: That the Town authorize the Water Commissioners to purchase a new portable air compressor with new paving breaker and accessories, and dispose of the 1943 Ingersoll-Rand air compressor now in service and make an appropriation of \$4,100 therefor, and it was so voted.

Article 44. To see if the Town will authorize the Water Commissioners to relay water mains of not less than six inches in diameter in Russell Mills Road from Jordan Road in a northwesterly direction for a distance of 2,400 feet approximately, and make an appropriation of \$18,000 therefor.

The Committee recommends an appropriation of \$16,500.

Voted: That the Town authorize the Water Commissioners to relay water mains of not less than six inches in diameter in Russell Mills Road from Jordan Road in a northwesterly direction for a distance of 2,400 feet, approximately, and to raise and appropriate \$16,500 therefor.

Article 45. To see if the Town will authorize the Water Commissioners to lay a water main of not less than six inches in diameter from the State Highway at the Manomet Fire Station in a southwesterly direction for a distance of 200 feet approximately, near the rear of the new fire station and set one fire hydrant and to make an appropriation of \$1,500 therefor.

The Committee recommends no action.

Voted: That the Town take no action under Article 45.

Article 46. To see if the Town will authorize the Water Commissioners to relay the water main in Karle Place with a main not less than six inches in diameter from Sandwich Street in a northeasterly direction for a distance of 500 feet approximately, and make an appropriation of \$4,000 therefor.

The Committee recommends an appropriation of \$2,500.

Mr. Charles Henderson recommended that the Town authorize the Water Commissioners to relay the water main in Karle Place with a main not less than six inches in diameter from Sandwich Street in a northeasterly direction for a

distance of 500 feet approximately, and to raise and appropriate the sum of \$2,500 therefor.

Mr. Peter Billey moved to amend the recommendation of Mr. Henderson by substituting the figure \$4,000 for the figure \$2,500 and it was so voted.

Article 47. To see if the Town will authorize the Water Commissioners to transfer the care, custody, management and control of the Allerton Street Reservoir, so-called, to the Board of Selectmen.

The Committee recommends favorable action.

Voted: (Unanimously) That the Town transfer the care, custody, management and control of the Allerton Street Reservoir, so-called, to the Board of Selectmen.

Article 48. To see what amount the Town will vote to raise and appropriate for the purchase and installation of a new boiler and oil burner in the Memorial Building; said appropriation to be spent under the jurisdiction of the Board of Selectmen.

The Committee recommends no action.

Voted: That the Town take no action under Article 48.

Article 49. To see whether the Town will approve the construction of a new housing project by the Plymouth Housing Authority, namely, a housing project for elderly persons pursuant to the provisions of Chapter 667 of Massachusetts Acts of 1954, and Acts in amendment thereof and in addition thereto, to be known as State-Aided Housing Project 667-1.

The Committee makes no recommendation, but refers to the Plymouth Housing Authority for explanation.

Mr. Thomas Quinn moved that the Town approve construction of a new housing project, namely, a project for the housing of elderly persons, consisting of not more than fifty dwelling units pursuant to Chapter 667 of Massachusetts Acts of 1954, and Acts in amendment thereof and in addition thereto, to be known as State-Aided Housing Project 667—1, and it was so voted.

Article 50. To see what action the Town will take on the report and recommendations of the Plymouth Redevelopment Authority and make an appropriation therefor, or take any action relative thereto.

The Committee makes no recommendation, but refers to the Plymouth Redevelopment Authority for explanation.

Mr. Ralph Drew moved that the Town adopt The Fire Prevention Code, being particularly the 1960 Abbreviated Edition, recommended by the National Board of Fire Underwriters and approved by the Plymouth Public Safety Commission, and that the Town adopt the necessary ordinance prescribing regulations governing the Code, a copy of which is filed with the Town Clerk, and it was so voted. (Unanimously)

Article 51. To see what action the Town will take with reference to the second report of the Sewage Disposal Committee appointed in 1959 and to continue said Committee and to make an appropriation therefor.

Recommendation under this article left to the Sewage Disposal Committee.

Mr. Howard P. Barnes moved that the Town accept the second report of the Sewage Disposal Committee which was authorized by Article 54 of March, 1959 — that the report be included in the proceedings of this meeting and that the Committee be continued, and it was so voted.

Article 52. To see if the Town will accept as town ways, the Extension of Dwight Avenue, Woodvale Avenue, Extension of Bunker Hill Road, Christopher Road in Jordan Terrace, as laid out by the Selectmen and reported to the town, provided two drainage easements are granted by the developer, and make an appropriation for land and property damages and expenses for acquiring titles and said two drainage easements.

The Committee recommends favorable action and an appropriation of \$200 for expenses of acquiring titles.

The Planning has approved as to layout **only**.

Voted: (Unanimously) That the Town accept and allow as a town way, the Extension of Dwight Avenue, Woodvale Avenue, Extension of Bunker Hill Road, Christopher Road in Jordan Terrace, as laid out by the Selectmen and reported to the Town, provided two drainage easements are granted by the developer, and to raise and appropriate \$200 for expenses of acquiring titles.

Article 53. To see if the Town will accept and allow as a town way, Bartlett Road, from the end of the 1906 layout to the State Road near Raymond's Corner, as laid out by the

Selectmen and reported to the town, provided drainage easements are secured from three of the abutters, and to make an appropriation for land and property damages and expenses for acquiring titles and said drainage easements.

The Committee recommends no action.

The Planning Board has approved as to layout **only**.

Voted: (Unanimously) That the Town accept and allow as a town way, Bartlett Road, from the end of the 1906 layout to the State Road near Raymond's Corner as laid out by the Selectmen and reported to the town, provided drainage easements are secured from three of the abutters, and raise and appropriate \$200 for the expenses of acquiring titles and said drainage easements.

Article 54. To see if the Town will accept and allow as a town way, West Pond Road, as laid out by the Selectmen and reported to the town, provided drainage easements are secured from two abutters, and make an appropriation for land and property damages and expenses for acquiring titles and said drainage easements.

The Committee recommends favorable action and an appropriation of \$100 for expenses of acquiring title.

The Planning Board has approved as to layout **only**.

Voted: (Unanimously) That the Town accept and allow as a town way, West Pond Road, as laid out by the Selectmen and reported to the Town, provided drainage easements are secured from two abutters, and to raise and appropriate the sum of \$100 for the expenses of acquiring titles.

Article 55. To see if the Town will accept and allow as a town way, the alteration of the southeasterly corner of Alden Street and Standish Avenue, as laid out by the Selectmen and reported to the Town and make an appropriation for land and property damages and expenses for acquiring titles.

The Committee recommends favorable action and an appropriation of \$100 for expenses of acquiring title.

The Planning Board has approved as to layout **only**.

Voted: (Unanimously) That the Town accept and allow as a town way, the alteration of the southeasterly corner of Alden Street and Standish Avenue, as laid out by the Selectmen and reported to the Town, and to raise and appropriate \$100 for the expenses of acquiring titles.

Article 56. To see if the Town will accept and allow as a town way, a portion of Thrush Avenue, Manomet, from Strand Avenue, northeasterly about 250 feet to Cheryl Avenue, as laid out by the Selectmen and reported to the town and make an appropriation for land and property damages and expenses for acquiring titles.

The Committee recommends no action.

The Planning Board has approved as to layout **only**.

Mr. Charles Henderson moved that the Town take no action under Article 56.

Mr. Ronald McIntosh moved to amend the motion of Mr. Henderson that the Town accept and allow as a town way, a portion of Thrush Avenue, Manomet, from Strand Avenue, northeasterly about 250 feet to Cheryl Avenue, as laid out by the Selectmen and reported to the town and make an appropriation for the sum of \$75.00 for land and property damages and for acquiring titles. By a show of hands, 77 in the affirmative, 51 in the negative, not being a $\frac{2}{3}$ vote, the motion to amend was lost.

The original motion was put before the Meeting and carried.

Article 57. To see if the Town will accept and allow as a town way, Cheryl Avenue, Manomet, as laid out by the Selectmen and reported to the town and make an appropriation for land and property damages and expenses for acquiring titles.

The Committee recommends no action.

The Planning Board has approved as to layout **only**.

Voted: That the Town take no action under Article 57.

Article 58. To see if the Town will accept and allow as a town way, Abington Avenue, White Horse Beach, as laid out by the Selectmen and reported to the town and make an appropriation for land and property damages and expenses for acquiring titles.

The Committee recommends no action.

The Planning Board has approved as to layout **only**.

Mr. Charles Henderson moved that the Town take no action under Article 58.

Mr. Francis Shea moved to amend the motion of Mr. Henderson by substituting the following: That the Town accept and allow as a town way, Abington Avenue, White Horse Beach, as laid out by the Selectmen and reported to the Town and make an appropriation of \$200 for expenses of acquiring titles, but by a show of hands, 67 in the affirmative, 53 in the negative, not being a $\frac{2}{3}$ vote, the motion to amend was lost.

The original motion was put before the Meeting and carried.

Article 59. To see if the Town will accept and allow as a town way, Rodman Lane, as laid out by the Selectmen and reported to the town and make an appropriation for land and property damages and expenses for acquiring titles.

The Committee recommends favorable action and an appropriation of \$200 for expenses of acquiring title.

The Planning Board has approved as to layout **only**.

Voted: (Unanimously) That the Town accept and allow as a town way, Rodman Lane, as laid out by the Selectmen and reported to the Town, and to raise and appropriate \$200 for expenses of acquiring titles.

Article 60. To see if the Town will accept and allow as a town way, Grand View Drive, as laid out by the Selectmen and reported to the town, provided a drainage easement is granted by the developer, and make an appropriation for land and property damages and expenses for acquiring titles and said drainage easement.

The Committee recommends favorable action and an appropriation of \$100 for expenses of acquiring title.

The Planning Board has approved as to layout **only**.

Voted: (Unanimously) That the Town accept and allow as a Town way, Grand View Drive, as laid out by the Selectmen and reported to the Town, provided a drainage easement is granted by the developer, and to raise and appropriate \$100 for expenses of acquiring titles.

Article 61. To see if the Town will accept and allow as a town way, the alteration of the southeasterly corner of Spooner and North Spooner Streets, as laid out by the Select-

men and reported to the Town and make an appropriation for land and property damages and expenses for acquiring titles.

The Committee recommends favorable action and an appropriation of \$100 for expenses of acquiring title.

The Planning Board has approved as to layout **only**.

Voted: (Unanimously) That the Town accept and allow as a town way, the alteration of the southeasterly corner of Spooner and North Spooner Streets, as laid out by the Selectmen and reported to the Town, and to raise and appropriate \$100 for expenses of acquiring titles.

Article 62. To see if the Town will accept and allow as a town way, the extension of the layout of Spooner Street as laid out by the Selectmen and reported to the town and make an appropriation for land and property damages and expenses for acquiring titles.

The Committee recommends favorable action and an appropriation of \$100 for expenses of acquiring title.

The Planning Board has approved as to layout **only**.

Voted: (Unanimously) That the Town accept and allow as a town way, the extension of the layout of Spooner Street, as laid out by the Selectmen and reported to the Town, and to raise and appropriate the sum of \$100 for expenses of acquiring titles.

Article 63. To see if the Town will accept and allow as a town way, Oak Ridge Road, as laid out by the Selectmen and reported to the town and make an appropriation for land and property damages and expenses for acquiring titles.

The Committee recommends no action.

The Planning Board has approved as to layout **only**.

Voted: That the Town take no action under Article 63.

Article 64. To see if the Town will vote to raise and appropriate the sum of \$40,000 to be spent in conjunction with sums to be provided by State or County or both, for the construction and completion of a bank revetment between the town bathing beach, south to the stone revetment recently finished at Warren's Cove, a distance of approximately 2,643 feet, and that to meet said appropriation, the sum of \$20,000 be appropriated from the tax levy of the cur-

rent year and \$20,000 from money in the Town Treasury received from the abutters; the Town to assume liability as provided by Section 29, Chapter 91 of the General Laws, as amended, for all damages incurred hereunder. (By Petition)

The Committee recommends favorable action. State Share \$80,000., County Share \$40,000., Town's Share \$20,000., Abutters' Share \$20,000; Total cost \$160,000.

Voted: That the Town raise and appropriate the sum of \$40,000 to be spent in conjunction with sums to be provided by the State or County or both, for the construction and completion of a bank revetment between the Town bathing beach, south to the stone revetment recently finished at Warren's Cove, a distance of approximately 2,643 feet, and that to meet said appropriation, the sum of \$20,000 be appropriated from the tax levy of the current year and \$20,000 from money in the Town Treasury received from the abutters; the Town to assume liability as provided by Section 29, Chapter 91 of the General Laws, as amended, for all damages incurred hereunder.

At 10:40 o'clock p.m. Mr. Howard Barnes moved to adjourn until 8:00 o'clock p.m. Wednesday, March 29th, but the motion was lost.

Mr. Paul Whipple moved and it was so voted, to adjourn until 7:30 o'clock p.m. Wednesday, March 29th.

ADJOURNED TOWN MEETING, MARCH 29, 1961

The Meeting was called to order by the Moderator at 7:45 o'clock p.m.

Mrs. Jane Gellar moved to reconsider Article 58 and it was so voted.

Mr. Francis Shea's original motion to amend with the addition of the following: "and to acquire two drainage easements from the abutters" was put before the Meeting and by a show of hands, 70 in the affirmative, 54 in the negative, not being a $\frac{2}{3}$ vote, the motion to amend was lost.

Article 65. To see if the Town will assume liability in the manner provided by Section 29 of Chapter 91 of the General Laws, as amended, for all damages that may be incurred by work to be performed by the Department of Public

Works of Massachusetts for the improvement, development, maintenance and protection of tidal and non-tidal rivers and streams, harbors, tidewaters, foreshores and shores along a public beach in accordance with Section 11 of Chapter 91 of the General Laws and authorize the Selectmen to execute and deliver a bond of indemnity therefor to the Commonwealth.

The Committee recommends favorable action.

Voted: That the Town assume liability in the manner provided by Section 29 of Chapter 91 of the General Laws, as amended, for all damages that may be incurred by work to be performed by the Department of Public Works of Massachusetts for the improvement, development, maintenance and protection of tidal and non-tidal rivers and streams, harbors, tidewaters, foreshores and shores along a public beach in accordance with Section 11 of Chapter 91 of the General Laws and authorize the Selectmen to execute and deliver a bond of indemnity therefor to the Commonwealth.

Article 66. To see if the Inhabitants of the Town of Plymouth will vote to authorize the Selectmen to grant the Plymouth County Electric Company and New England Telephone and Telegraph Company easement rights covering two (2) joint pole locations together with wire rights for the lines now serving the "Town Wharf Lot," so-called. Said lines were installed under temporary permission during 1960.

The Committee recommends favorable action.

Voted: That the Town authorize the Selectmen to grant the Plymouth County Electric Company and New England Telephone and Telegraph Company easement rights covering two (2) joint pole locations together with wire rights for the lines now serving the "Town Wharf Lot," so-called.

Article 67. To see if the Town will vote to raise and appropriate \$2,000 to be spent under the direction of the Board of Selectmen for the study of town rights of ways to ponds and foreshores in the Town of Plymouth, and a report of said study be made available and reported at the next annual town meeting.

The Committee recommends no action.

Mr. Charles Henderson moved that the Town take no action under Article 67.

Mr. Donald Tracy moved to amend the motion of Mr. Henderson by substituting the following: That the Town raise and appropriate \$2,000 to be spent under the direction of the Board of Selectmen for the study of town rights of ways to ponds and foreshores in the Town of Plymouth, and a report of said study be made available and reported at the next annual town meeting, and it was so voted.

Mrs. Margaret Williamson moved that Article 68 be tabled until after all articles through Article 87 have been considered, but by a show of hands, 56 in the affirmative, 65 in the negative, the motion was lost.

Article 68. To see if the Town will vote to have the Moderator appoint a Committee consisting of the Representative to the General Court, the Town Counsel and one member of the League of Women Voters and two other members to draft rules and regulations for the conducting of Town Meetings and report thereon at the next annual town meeting; said report to contain the suggested rules and regulations recommended by said Committee and to make an appropriation therefor.

The Committee recommends favorable action, with no appropriation for expenses.

Mr. Charles Henderson moved that the Moderator appoint a Committee consisting of the Representative to the General Court, the Town Counsel and one member of the League of Women Voters and two other members, to draft rules and regulations for the conducting of Town Meetings, and report thereon at the next annual town meeting; said report to contain the suggested rules and regulations recommended by said Committee and to make no appropriation therefor.

Mr. Howard Barnes moved to substitute the following: That the Town authorize the Moderator to appoint a committee of five to draft rules, regulations or by-laws for conducting of Town Meetings, to hold hearings and to report at the 1962 annual town meeting with recommendations and that the Town shall raise and appropriate \$50 for expenses thereof, and it was so voted.

Article 69. To see if the Town will vote to adopt the following by-law: "No person shall permit or allow a motor vehicle to obstruct the removal of snow on any way within the Town after having been notified by the Selectmen or

their agent, the Superintendent of Streets, to remove the same and upon failure of said person to remove said vehicle, or in the absence of knowledge of the Superintendent of Streets as to the ownership of said vehicle, said vehicle may be removed without said notice and in either event, said vehicle shall be removed at the expense of the owner or operator thereof."

The Committee recommends favorable action.

Mr. Charles Henderson moved that the Town adopt as a by-law the following: "No person shall permit or allow a motor vehicle to obstruct the removal of snow on any way within the Town after having been notified by the Selectmen or their agent, the Superintendent of Streets, to remove the same and upon failure of said person to remove said vehicle, or in the absence of knowledge of the Superintendent of Streets as to the ownership of said vehicle, said vehicle may be removed, without said notice and in either event, said vehicle shall be removed at the expenses of the owner or operator thereof."

Mr. Francis Shea moved to amend by substituting the following: That the Town adopt the following by-law: "No person shall permit or allow a motor vehicle to obstruct the removal of snow on any way within the Town after having been notified by the Selectmen or their authorized agents to remove the same and upon failure of said person to remove said vehicle, or in the absence of knowledge of the Selectmen or their authorized agents as to the ownership of said vehicle, said vehicle may be removed without said notice and in either event, said vehicle shall be removed at the expense of the owner or operator thereof." and it was so voted.

Article 70. To see what action the Town will take relative to the sale of the southwesterly portion of Lot No. 72B as shown on Plat 20 of the Assessors' Plan, containing 455 square feet, more or less, and included in land recently acquired for off-street parking purposes on Middle Street.

(By Petition)

Recommendation will be made at Town Meeting.

The Planning Board has no recommendation.

Voted: That the Town take no action under Article 70.

Article 71. Will the Town amend the Plumbing By-laws as adopted March, 1956 under Article 111 by revising paragraph (b) under "Administration" so that it will read "(b). Any fees for plumbing permits shall be fixed by the Administrative Authority on or before May first in each year, but the minimum fee shall be Four Dollars (\$4.00) per permit. Any fee schedule so fixed shall be published in the first issue of a newspaper published in the Town following said date."
(By Petition)

The Committee recommends no action.
See recommendation under Article 38.

Mr. Charles Henderson moved that the Town take no action under Article 71, but refer the question to the Committee appointed under Article 38.

Mr. Howard Barnes moved to substitute Mr. Henderson's motion by the following: That the Town amend the Plumbing By-Laws as adopted March, 1956 under Article 111 by revising paragraph (b) under "Administration" so that it will read "(b). Any fees for plumbing permits shall be fixed by the Administrative Authority on or before May first in each year, but the minimum fee shall be Four Dollars (\$4.00) per permit. Any fee schedule so fixed shall be published in the first issue of a newspaper published in the Town following said date," but the motion to amend was lost.

The original motion was put before the Meeting and carried.

Mr. Robert B. Bowler moved that Articles 72, 74-77 and 79-87 be taken up together but the motion was lost.

Article 72. Will the Town amend the By-Law adopted under Article 68 on March 23, 1940 so that it will read as follows: "All Town Officers shall pay into the Town Treasury, all fees received by them by virtue of their office and fees as agent for the County and for the Commonwealth in issuing any licenses, same to be effective, April 1, 1962."

(By Petition)

The Committee makes no recommendation, as this is a matter of legal opinion.

Mr. Charles Henderson moved that the Town take no action under Article 72.

Mr. Howard Barnes moved to amend the motion of Mr. Henderson by the following: That the Town amend the By-Law adopted under Article 68 on March 23, 1940 so that it will read as follows: "All Town Officers shall pay into the Town Treasury, all fees received by them by virtue of their office and fees as agent for the County and for the Commonwealth in issuing any licenses, same to be effective, April 1, 1962," but the motion to amend was lost.

The original motion was put before the Meeting and carried.

Article 73. Will the Town amend the Building Code as adopted March 1956 under Article 110 by adding a new paragraph (h) under Section 19 "Permits" as follows: "(h). Any fees for building permits issued under this code shall be fixed on or before May first in each year by the Inspector of Buildings and as approved by the Commission of Public Safety, but the minimum fee shall be Five Dollars (\$5.00) per permit. The schedule of fees shall be published within 10 days in a newspaper published in the Town." (By Petition)

The Committee recommends no action.

See recommendation under Article 38.

Mr. Charles Henderson moved that the Town take no action under Article 73, but refer the question to the Committee appointed under Article 38.

Mr. Howard Barnes moved to amend the motion of Mr. Henderson by the following: That the Town amend the Building Code as adopted March 1956 under Article 110 by adding a new paragraph (h) under Section 19 "Permits" as follows: "(h). Any fees for building permits issued under this code shall be fixed on or before May first in each year by the Inspector of Buildings and as approved by the Commission of Public Safety, but the minimum fee shall be Five Dollars (\$5.00) per permit. The schedule of fees shall be published within 10 days in a newspaper published in the Town." but voting by a show of hands, 45 in the affirmative, 79 in the negative, the motion to amend was lost.

The original motion was put before the Meeting and carried.

Mr. Edward Chase moved to take up Articles 91 and 92 at this time and it was so voted.

Article 91. To see what amount the Town will vote to transfer from available funds to reduce the tax levy of the current year.

Voted: That the Town authorize and direct the Assessors to take \$125,000 from available funds to reduce the tax levy of the current year.

Article 92. To see what amount the Town will vote to transfer from available funds for the Stabilization Fund as authorized by the provisions of Chapter 124 of the Acts of 1945.

The Committee recommends the transfer of \$75,000, from available funds to the Stabilization Fund.

Voted: That the Town transfer from available funds the sum of \$75,000 for the Stabilization Fund, as authorized by the provisions of Chapter 124 of the Acts of 1945 and recommended by the Advisory and Finance Committee.

Article 74. To see if the Town will adopt as a By-law the following: "A motion to reconsider any vote shall not be made at an adjourned meeting unless the mover has given notice of his intention to make such a motion at the session of the meeting prior to the session at which the motion to reconsider is made." (By Petition)

The Committee recommends favorable action.

Mr. Charles Henderson moved that the Town adopt as a By-Law the following: "A motion to reconsider any vote shall not be made at an adjourned meeting unless the mover has given notice of his intention to make such a motion at the session of the meeting prior to the session at which the motion to reconsider is made."

Mr. William Barrett moved to substitute the following motion: That the Town take up collectively, Articles 74 through 87, and it was so voted by a show of hands, 65 in the affirmative and 57 in the negative.

Mr. Hugh R. Maraghy made the motion to reconsider Article 74, and it was so voted by a rising vote, 66 in the affirmative and 57 in the negative.

It was moved that a ballot vote be taken on Mr. Barrett's motion, and the Moderator asked for a rising vote to approve the ballot vote, and the rising vote carried, 73 in the affirmative and 47 in the negative.

The ballot vote on Mr. Barrett's motion carried by the following: 69 in the affirmative, 60 in the negative.

Mr. Francis Shea moved to eliminate Article 78 from Mr. Barrett's motion, and it was so voted.

Mr. Barrett then moved that the subject matter in Articles 74 through 87, with the exception of Article 78, be turned over to the Committee to be appointed under Article 68 for study, and it was so voted.

Article 75. To see if the Town will adopt as a By-law on Committees the following: "A. When a vote of the Town meeting requires that a Committee be formed, the committee members shall be appointed within thirty (30) days after the Town Meeting if not already elected by the meeting, and shall by said date be notified in writing by the Town Clerk of the business upon which they are to act and the duties they are to perform. A temporary chairman shall be appointed by the Moderator. It shall be the duty of the temporary chairman to call the members for organization within thirty (30) days of notification of their appointment. If the temporary chairman fails to call the organizational meeting within the prescribed time, it shall be the duty of the Moderator to call such meeting. B. At every annual Town Meeting the Moderator shall call upon each committee for its report. Each committee shall make a temporary or partial report either orally or in writing at every annual Town Meeting until the task with which it has been charged has been completed and a final report made. If no report is made, the committee shall be deemed discharged and the Moderator shall appoint a new committee, said committee to be organized in the same way as all committees voted by the Town Meeting. C. Any committee having completed its task and having inserted an article or articles in the warrant shall prepare a final report to be filed with the Town Clerk in sufficient time to be printed and mailed to all Town Meeting members no later than fourteen (14) days prior to the Town Meeting. Copies shall also be available at the Town Clerk's Office."

(By Petition)

The Committee recommends favorable action.

Article 76. To see if the Town will adopt as a By-law the following: "A ten-minute recess shall be called within every two-hour period of a session."

(By Petition)

The Committee recommends favorable action.

Article 77. To see if the Town will adopt as a By-law the following: "Articles in the warrant shall be acted upon in the order in which they appear unless the meeting shall vote otherwise." (By Petition)

The Committee recommends favorable action.

Article 79. To see if the Town will adopt as a By-law the following: "After the final adjournment of every Town Meeting, a complete attendance record shall be posted on the public notice bulletin board at the Town Office Building." (By Petition)

The Committee recommends favorable action.

Article 80. To see if the Town will adopt as a By-law the following: "The time for submitting articles to be included in the warrant for any annual Town Meeting shall be closed and the warrant for such meeting shall be drawn up by the Selectmen on the third Wednesday of January, and they shall forthwith transmit the original of such warrant to the Town Clerk for publication and notice." (By Petition)

The Committee recommends favorable action, provided the article is amended to "Second Wednesday of January."

Article 81. To see if the Town will adopt as a By-law the following: "All motions shall be in writing unless otherwise directed by the Moderator." (By Petition)

The Committee recommends favorable action.

Article 82. To see if the Town will adopt as a By-law the following: "Any person employed as an attorney to speak on any matter under discussion at Town Meeting shall declare fact of employment before speaking." (By Petition)

The Committee recommends favorable action, provided the article is amended to delete "as an attorney."

Article 83. To see if the Town will adopt as a By-law the following: "Any article appearing on the warrant by petition shall have appended thereto the name of the first person signing said petition and the words 'et al'." (By Petition)

The Committee recommends no action.

Article 84. To see if the Town will adopt as a By-law the following: "A copy of the Acts and By-laws pertaining to Representative Town Meeting and adopted by the Town

of Plymouth shall be mailed by the Town Clerk to every newly elected town meeting member with the notice of his election.”
(By Petition)

The Committee recommends favorable action.

Article 85. To see if the Town will adopt as a By-law the following: “The annual meeting for the election of officers shall be held on the first Saturday of March. All business of the annual Town Meeting other than the election of town officers and the determination of such matters as are by law placed on the ballot shall be deferred to an adjournment to be held on the fourth Saturday of March.”
(By Petition)

The Committee recommends no action.

Article 86. To see if the Town will adopt as a By-law the following: “If seven (7) town meeting members so request, any motion which is divisible shall be divided and the question shall be put separately upon each part thereof.”
(By Petition)

The Committee recommends favorable action.

Article 87. To see if the Town will adopt as a By-law the following: “Notice of the time and place at which any adjourned session of a Town Meeting is to be held shall be posted on the public notice bulletin board at the Town Office Building by 9:30 a.m. of the day of the adjourned meeting.”
(By Petition)

The Committee recommends favorable action.

Article 78. To see if the Town wishes to have the number of town meeting members in each precinct adjusted to comply with the formula stated in Section 3 of the Act establishing in the Town of Plymouth Representative Town Government by Limited Town Meetings.
(By Petition)

The Committee recommends no action.

Mr. Charles Henderson moved that the Town take no action under Article 78.

Mrs. Margaret Williamson moved to amend the motion of Mr. Henderson by substituting the following: That the Town take measures to have the number of town meeting members in each precinct adjusted to comply with the formula stated in Section 3 of the Act Establishing in the Town of Plymouth Representative Town Government by Limited Town Meeting, and it was so voted.

Article 88. To see if the Town will vote to sell to Reliable Fish Company, Inc., a lot of land located off the easterly side of Water Street and being known as Lot 12 on the Town Wharf Lot Plan, so-called. (By Petition)

The Committee recommends no action.

The Planning Board does not recommend.

Voted: That the Town take no action under Article 88.

Article 89. To see if the Town will vote to sell to The Lobster Mart, Inc., a lot of land located off the easterly side of Water Street and being known as Lot 10 on the Town Wharf Lot Plan, so-called. (By Petition)

The Committee recommends no action.

The Planning Board does not recommend.

Voted: That the Town take no action under Article 89.

Article 90. To see if the Town will vote to sell to George H. Sampson, a lot of land located off the easterly side of Water Street and being known as Lot 7 on the Town Wharf Lot Plan, so-called. (By Petition)

The Committee recommends no action.

The Planning Board does not recommend.

Voted: That the Town take no action under Article 90.

Mr. Hugh Maraghy moved, and it was so voted, to adjourn at 11:00 p.m.

M. HERBERT CRAIG, Town Clerk.

**TOWN OF
PLYMOUTH, MASSACHUSETTS**

PLANNING BOARD

Zoning By-Law Adopted under Article 12

SECTION I. PURPOSE

To promote the health, safety, convenience and welfare of the Town, in accordance with Chapter 40A of the General Laws, the Town of Plymouth is hereby divided into Districts, each of which shall be subject to special regulations herein provided as to the location, size, and use of buildings and structures and the use of premises therein.

SECTION II. ESTABLISHMENT OF DISTRICTS

II-A. Types of Districts. For purposes of this By-Law, the Town of Plymouth is hereby divided into the following types of use districts:

Residential R-40
Residential R-20
Residential R-15
Residential R-10
Neighborhood Business
Commercial
Original Commercial
Industrial

II B. Location of Districts. Said districts are located and bounded as shown on two maps entitled "Town of Plymouth, Massachusetts, Zoning Map No. 1, Jan. 16, 1961" and "Town of Plymouth, Massachusetts, Zoning Map No. 2, Jan. 16, 1961" and on file in the office of the Town Clerk. The Zoning Maps, with all explanatory matter therein, are hereby made a part of this By-Law.

SECTION III. USE REGULATIONS

No building or structure shall be constructed, and no building, structure or land, or part thereof shall be used for any purpose or in any manner other than for one or more of the uses hereinafter set forth as permitted in the district in which such building, structure or land is located, or set forth as permissible by special permit in said district and so authorized.

III-A. Residential R-40 and R-20 Districts.

1. Permitted uses:
 - a. Detached one-family dwelling.
 - b. Religious, educational, or municipal use, except cemetery.
 - c. Display and sale of natural products raised on the premises.
 - d. Display of a sign pertaining to a permitted use, with an area of not more than two square feet.
 - e. Accessory uses customarily incidental to a permitted main use on the same premises.

2. Uses which may be permitted by the Board of Appeals in accordance with Section VII B-2 of this By-Law:
 - a. Renting of rooms or furnishing of board for not more than four persons in a dwelling whose primary use is a single family residence.
 - b. Conversion of a single family dwelling for occupancy by not more than two families provided that the exterior design of the structure is not substantially changed from the character of a single family dwelling.
 - c. Use of a room or rooms in a dwelling for customary home occupations, such as dressmaking, millinery, or the work of any member of a recognized profession.
 - d. Golf course.
 - e. Private club, except those whose chief activity is customarily carried on as a business.
 - f. Structures for public utility corporations, not including repair stations or outside storage of supplies.
 - g. Boat livery, yacht basin, or launching facilities.
 - h. Display of a sign with a total area in excess of two square feet.
 - i. Any additional use after determination by the Board of Appeals that the proposed use is similar to one or more of the uses specifically authorized and not more detrimental to the neighborhood.

III B. Residential R-15 District.

1. Permitted uses:
 - a. Detached one-family dwelling.
 - b. Religious, educational or municipal use, except cemetery.
 - c. Display and sale of natural products raised on the premises.
 - d. Display of a sign pertaining to a permitted use with a total area of not more than two square feet.
 - e. Accessory uses customarily incidental to a permitted main use on the same premises.
 - f. Detached two-family dwelling.
 - g. Renting of rooms or furnishing of board for not more than four persons by each family resident in a dwelling whose primary use is a residence for one or two families.
 - h. Use of a room or rooms in a dwelling for customary home occupations such as dressmaking, millinery, or work of a member of any recognized profession.
2. Uses which may be permitted by the Board of Appeals in accordance with Section VII B-2 of this By-Law:
 - a. Golf course.
 - b. Private club, except those whose chief activity is customarily carried on as a business.
 - c. Structures for public utility corporations, not including repair stations or outside storage of supplies.
 - d. Boat livery, yacht basin, or launching facilities.
 - e. Display of a sign with a total area in excess of two square feet.
 - f. Multi-family dwelling.
 - g. Hotel, motel, hotel dining-room, motel dining-room.
 - h. Boys' summer camp, girls' summer camp, subject to special regulations of the Commission of Public Safety.

- i. Any additional use after determination by the Board of Appeals that the proposed use is similar to one or more of the uses specifically authorized and not more detrimental to the neighborhood.

III-C. Residential R 10 District.

1. Permitted uses:
 - a. Detached one-family dwelling.
 - b. Religious, educational or municipal use, except cemetery.
 - c. Display and sale of natural products raised on the premises.
 - d. Detached two-family dwelling.
 - e. Renting of rooms or furnishing of board for not more than four persons by each family resident in a dwelling whose primary use is a residence for one or two families.
 - f. Accessory use on the same lot with and customarily incident to any of the above permitted uses. In Residential R-10 District, the term "accessory use" shall include:
 1. Use of a room or rooms in dwelling for customary home occupations, such as dressmaking, millinery, arts and crafts, or work of any member of a recognized profession.
 2. Use of premises or building thereon in connection with trades, such as that of resident builder, carpenter, electrician, mason, painter, plumber, tinsmith, upholsterer or machinist, provided that no business requiring substantially continuous employment be carried on therein.
 3. Display and sale of natural products raised on the premises.
 4. Display of not more than two signs pertaining to a permitted use with a total area of not more than twelve square feet.
2. Uses which may be permitted by the Board of Appeals in accordance with Section VII B-2 of this By-Law:
 - a. Golf course.
 - b. Private club, except those whose chief activity is customarily carried on as a business.
 - c. Structures for public utility corporations, not including repair stations or outside storage of supplies.
 - d. Boat livery, yacht basin, or launching facilities.
 - e. Multi-family dwelling.
 - f. Hotel, motel, hotel dining-room, motel dining-room, cabins.
 - g. Renting of rooms or furnishing of board for more than four persons.
 - h. Sale of antiques.
 - i. Cranberry bogs, general farm including dairy farm, truck garden or nursery.
 - j. Hospital, convalescent home, funeral home, professional office building.
 - k. Roadside stand.
 - l. Restaurant of character not inconsistent with the neighborhood.
 - m. Greenhouse or ice storage.
 - n. Indoor place of amusement, including theatre and bowling alley.
 - o. Boys' summer camp, girls' summer camp, subject to special regulations of the Commission of Public Safety.
 - p. Farms.
 - q. Riding stable.
 - r. Aviation field.
 - s. Cemetery.

- t. Dog kennels and animal hospitals.
- u. Gravel, loam, sand or stone removal carried on as a business.
- v. Tourist camps, tent camping ground, and trailer camps, subject to special regulations of the Commission of Public Safety.
- w. Drive-in theatre.
- x. Any additional use after determination by the Board of Appeals that the proposed use is similar to one or more of the uses specifically authorized and not more detrimental to a neighborhood.

III-D. Neighborhood Business District.

- 1. Permitted uses:
 - a. Any use permitted or which may be permitted in Residential Districts R-40, R-20, R-15 or R-10, except: dog kennels and animal hospitals, gravel, loam, sand or stone removal carried on as a business, tourist camps, tent camping ground, trailer camps, and drive-in theatres.
 - b. Office or bank.
 - c. Restaurant.
 - d. Automobile service stations.
 - e. Commercial parking lot for passenger vehicles.
 - f. Antique shop, arts and crafts shop, baker, barber, clothes cleaner or presser, cobbler, confectioner, decorator, dressmaker, florist, hairdresser, milliner, newsdealer, package store, photographer, tailor, telephone exchange, upholsterer, or retail store for the sale of clothing, drugs, food, hardware, household appliances, jewelry, paint, shoes or sporting goods.
- 2. Uses which may be permitted by the Board of Appeals in accordance with Section VII B-2 of this By-Law:
 - a. Automobile repair shop, storage garage or salesroom.
 - b. Retail business or service not permitted by Section III D-1 of this By-Law.

III-E. Commercial District.

- 1. Permitted uses:
 - a. Any use permitted or which may be permitted in any Residential District or in a Neighborhood Business District, except trailer camps.
 - b. Any wholesale or retail business, service or public utility not involving manufacture on the premises except of products the major portion of which are sold on the premises by the producer to the consumer.
- 2. Uses which may be permitted by the Board of Appeals in accordance with Section VII B-2 of this By-Law:
 - a. Any manufacturing or industrial use, including processing, fabrication and assembly, provided that no such use shall be permitted which would be detrimental, injurious, noxious, or offensive or tend to reduce property values in the same or adjoining districts.
 - b. Trailer camps subject to special regulations of the Commission of Public Safety.
 - c. Any additional use after determination by the Board of Appeals that the proposed use is similar to one or more of the uses specifically authorized and not more detrimental to a neighborhood.

III-F. Original Commercial District.

1. Permitted uses:
 - a. Any use permitted or which may be permitted in any Residential District or in a Neighborhood Business District except trailer camps.
 - b. Any wholesale or retail business, service or public utility not involving manufacture on the premises except of products the major portion of which are sold on the premises by the producer to the consumer.
2. Uses which may be permitted by the Board of Appeals in accordance with Section VII B-2 of this By-Law:
 - a. Any manufacturing or industrial use, including processing, fabrication and assembly, provided that no such use shall be permitted which would be detrimental, injurious, noxious or offensive or tend to reduce property values in the same or adjoining districts.
 - b. Any additional use after determination by the Board of Appeals that the proposed use is similar to one or more of the uses specifically authorized and not more detrimental to a neighborhood.

III-G. Industrial District.

1. Permitted uses:
 - a. Any manufacturing or industrial use, including processing, fabrication and assembly, provided that no such use shall be permitted which would be detrimental, injurious, noxious or offensive or tend to reduce property values in the same or adjoining districts.
 - b. Appropriate signs pertaining to permitted uses.
2. Uses which may be permitted by the Board of Appeals in accordance with Section VII B-2 of this By-Law:
 - a. Any business use permitted in a commercial district.
 - b. Automobile dismantling or used parts yard.
 - c. Junk yard.
 - d. Residence appurtenant to a permitted use.

SECTION IV. INTENSITY REGULATIONS

IV-A. Dwellings.

A dwelling hereafter erected in any district shall be located on a lot having not less than the minimum requirements set forth in the table below, and no more than one dwelling shall be built upon any such lot. No existing lot shall be changed as to size or shape so as to result in the violation of the requirements set forth below.

District	Minimum Lot Dimension		Minimum Set-back			Max. % area Coverage Including Accessory Buildings
	Area in sq. ft. (a)	Frontage in ft. (a)	Front in ft. (b)	Side in ft.	Rear in ft.	
Residential R-40	40,000	160	40	25	25	15
Residential R-20	20,000	120	25	15	15	20
Residential R-15	15,000	100	20	10	10	25
Residential R-10	10,000	80	20	10	10	30
Other Districts	10,000	80	20	10	10	30

- a. Any lot lawfully laid out by plan or deed duly recorded or registered in the Plymouth County Registry of Deeds or the Plymouth Land Registry District, which complied at the time of such recording or registering, with the minimum area and frontage requirements of the Zoning By-Law then in effect in Plymouth may be built upon for residential use, provided that such lot has an area of five thousand square feet or more, a frontage of fifty feet or more, and is in a district zoned for residential use and conforms except as to areas and frontage with this By-Law.
- b. Front set-back is to be measured from the right-of-way line where the way is forty feet or more in width; otherwise, front set-back is to be measured from a line twenty feet from and parallel to the center line of the travelled way. Where present buildings on adjoining lots are less than twenty feet from any way line, new buildings may be placed as near the way line as the average of the buildings on said adjoining lots. A vacant lot shall, for this purpose, be treated as though occupied by a building set back forty feet from the center of the way. Corner lots shall have full front set-backs from each of the intersecting ways, except that on lots less than sixty feet in width, existing and shown on a plan or plat duly recorded with the Plymouth County Registry of Deeds prior to July 5, 1951, no building shall be erected or placed within thirty-two feet of the center line of a side way or within twelve feet of the way line of a side way.

IV-B. Structures Other Than Dwellings.

A building or structure other than a dwelling hereafter erected in any District shall be located on a lot having not less than the minimum requirements set forth in the table below. No existing lot shall be changed as to size or shape so as to result in the violation of the requirements set forth below.

District	Minimum Lot Dimension		Minimum Set-back			Max. % area Coverage Including Accessory Buildings
	Area in sq. ft.	Frontage in ft.	Front in ft.	Side in ft.	Rear in ft.	
Neighborhood Business	15,000	120	40	40	40	25
Commercial	25,000	100	40	—	—	50
Original Commercial	—	—	—	—	—	—
Industrial	40,000	200	50	50	50	25
Residential R-40, R-20, R-15 or R-10	Same as dwellings					

SECTION V. GENERAL REGULATIONS

V-A. Non-Conforming Uses.

Any lawful building or structure or use of a building, structure or premises existing at the time this By-Law is adopted may be continued, and, if such building or structure is destroyed or damaged by fire or other cause, it may be restored, even if such building, structure or use does not conform to the regulations of this By-Law, except

that, when a non-conforming use has been discontinued for a period of three years, it shall not be re-established, and future use shall be in conformity with this By-Law.

The Board of Appeals may permit the extension or change of non-conforming uses as in accordance with Section VII B-4 of this By-Law.

V-B. Accessory Buildings.

No accessory building or structure shall be located closer to the lot lines than the minimum distances stipulated for residences in the same district.

V-C. Parking Requirements.

Any building hereafter constructed for or converted to business or industrial use in any district other than Original Commercial, shall be so located upon its parcel of land that there shall be provided on land of the same owners an off-street parking area equal to twice the floor area of the building to be so constructed or converted. The Board of Appeals, in permitting uses of a business nature, shall require adequate off-street parking.

V-D. Trailers.

A trailer used as a dwelling may not be parked on private property, other than a trailer park unless:

- (1) The Commission of Public Safety has issued a permit therefor;
- (2) The trailer is so parked as to meet the set-back requirements of this By-Law, and is at least ten feet distant from any building;
- (3) For a stay in excess of thirty days, the Board of Appeals has granted approval after a public hearing; and then subject to such conditions as the Board of Appeals may require; and
- (4) For a stay in excess of thirty days, the trailer is placed at least one hundred feet from the nearest edge of any travelled way.

V-E. Signs.

No sign in excess of twelve square feet shall be displayed in any district unless deemed appropriate by the Board of Selectmen and permission therefor is granted by said Board.

SECTION VI. SPECIAL ARCHITECTURAL TREATMENT

In view of the unique historical significance of the Town of Plymouth it is hereby declared the wish of the Town that business buildings erected or remodelled in the Town conform as much as possible in exterior appearance to architectural styles historically associated with this Town. To this end it is requested that architectural plans be submitted by the owner or builder to the Board of Selectmen and to the Building Inspector for comment and suggestions prior to the application for any building permit.

SECTION VII. ADMINISTRATION

VII-A. Building Inspector.

This By-Law shall be administered and enforced by the Board of Selectmen. The Building Inspector may grant permits for the use of land, and for the construction, alteration and use of buildings, in conformity with this By-Law. No building shall be built or altered without such a permit. No building shall be occupied until a certificate of occupancy has been issued by the Building Inspector, who may permit occupancy prior to completion of buildings with a temporary occupancy permit subject to conditions which he may prescribe.

VII-B. Board of Appeals.

There shall be a Board of Appeals of three members and two associate members to be appointed by the Selectmen, as provided in Chapter 40A of the General Laws, which shall act on all matters within its jurisdiction under this By-Law in the manner prescribed in Chapter 40A of the General Laws. The Board of Appeals shall have the following powers:

1. Appeals. To hear and decide an appeal taken by any person aggrieved by reason of his inability to obtain a permit from any administrative official under the provisions of Chapter 40A, General Laws, or by any officer or board of the Town, or by any person aggrieved by any order or decision of the inspector of buildings or other administration official in violation of any provision of Chapter 40A, General Laws, or of this By-Law.

2. Special Permits. To grant a special permit as provided by sections of this By-Law when it shall have found that the use involved will not be detrimental to the established or future character of the neighborhood and Town and subject to appropriate conditions or safeguards if deemed necessary.

3. Variance. The provisions of Section IV as to minimum setback may be varied by the Board of Appeals where, owing to conditions especially affecting such parcel but not affecting generally the zoning district in which it is located, a literal enforcement of the provisions of this By-Law would involve substantial hardship to the appellant, and where desirable relief may be granted without nullifying or substantially derogating from the intent or purpose of this By-Law, but not otherwise.

4. Non-Conforming Uses. To permit the extension of a non-conforming building or structure throughout the premises, the enlargement of a non-conforming use on the same or a contiguous lot, and the change of any non-conforming use to a specified new use, provided such extension, enlargement, or change is not more detrimental or objectionable to the neighborhood and the Town.

VII-C. Penalty.

Any person violating any of the provisions of this By-Law may be fined not more than twenty dollars for each offense. Each day that such violation continues shall constitute a separate offense.

VII-D. Recording.

Decisions of the Board of Appeals granting rights and privileges under this By-Law shall be recorded at the expense of the petitioner in the Plymouth County Registry of Deeds or the Plymouth Land Registry District, and indexed in both grantor and grantee indexes.

VII-E. Amendment.

This By-Law may be amended from time to time at an annual or special town meeting in accord with the provisions of Section 6, Chapter 40A, of the General Laws.

VII-F. Validity.

The invalidity of any section or provision of this By-Law shall not invalidate any other section or provision thereof.

A True Copy, Attest

M. HERBERT CRAIG, Town Clerk.

Original Zoning By-Law approved by Attorney General July 5, 1951; amended to and approved by Attorney General July 6, 1961.

Special Election — April 22, 1961

“Shall the Town vote to approve the action of the Representative Special Town Meeting whereby it was voted to approve the amount of debt, to wit: \$2,550,000.00 authorized by the PLYMOUTH-CARVER REGIONAL DISTRICT SCHOOL COMMITTEE for the purpose of constructing, originally equipping and furnishing a regional high school building?”

REGIONAL SCHOOL BOND QUESTION

Totals	782	553	595	1005	350	3285

Special Town Meeting — June 29, 1961

The Special Town Meeting was called to order by the Moderator, George A. White at 7:40 p.m.

The number of Town Meeting Members present, as reported by records of the tellers, was 163. The Moderator declared a quorum present.

Mr. Donald Tracy moved to consider Article 6 at this time and it was so voted.

Dr. Samuel K. Stewart, Chairman of the Plymouth-Carver Regional District School Committee, was granted permission to speak on the proposed Regional School and to show slides.

Mr. William Barrett moved that Article 6 be voted on by ballot and it was so voted.

Article 6. To see whether the Town will vote to approve or disapprove the amount of debt (to wit: \$2,450,000) authorized by the Plymouth-Carver Regional District School Committee at a meeting held on May 22, 1961 for the purpose of constructing, originally equipping and furnishing a regional high school building.

Recommendation from the Finance Committee will be made from the floor.

Mr. Spencer Brewster moved that the Town approve the amount of debt: (to wit \$2,450,000) authorized by the Plymouth-Carver Regional District School Committee at a meeting held on May 22, 1961 for the purpose of constructing, originally equipping and furnishing a regional high school building.

Voting by ballot, 101 in the affirmative, 60 in the negative, the motion was voted.

Article 1. To see if the Town will vote to amend Schedule A and Exhibit B of the Wage and Salary Classification By-law, as it affects the Public Welfare Department, to comply with the new minima of the Welfare Compensation Plan of the Division of Civil Service, effective as of July 1, 1961.

Recommendation from the Finance Committee will be made from the floor.

Voted: That the Town amend the Wage and Salary Classification By-Law in accordance with the recommendation of the Personnel Board and the Finance Committee by deleting from Schedule A the Classification of Dispensing Clerk, and deleting from Exhibit B the Public Welfare Department Section and inserting in place thereof the following Public Welfare Section, to be effective as of July 1, 1961:

Classification	Grade	Hours per Week	Minimum	Maximum
Director of Public Assistance	F-13		\$5,520	\$5,760
Secretary of the Board				
Social Work Supervisor	F-10		5,040	5,220
Social Worker	F-7	40	4,260	4,440
Senior Clerk-Stenographer	F-4	40	3,240	3,511
Junior Clerk-Stenographer	F-1			
Junior Clerk-Typist		40	2,700	2,923

Article 2. To see what amount the Town will vote to raise and appropriate from available funds including parking meter receipts for salaries, wages and expenses of the following departments and accounts for the balance of 1961: Board of Registrars, Public Assistance, Public Safety Commission (Police Department), Harbor Master and Parking Meter Maintenance.

Recommendation from the Finance Committee will be made from the floor.

Voted: Mr. James Frazier moved to substitute the figure \$546.37 for the figure \$179.00 for Harbor Master, Other Expenses.

Voted: By a show of hands, 72 in the affirmative, 66 in the negative. Mr. James Frazier moved to substitute the figure \$700 for the figure \$500 for Parking Meter Maintenance, Police Department.

Voted: That the Town raise and appropriate the sum of \$2,246.37, as amended, for the following departmental expenses for the remainder of the year:

Police Department, Auto Maintenance	\$1,000.00
Harbor Master, Other Expenses	546.37
Parking Meter Maintenance, (Police Dept.)	700.00

of which appropriation \$700 shall be from Street Parking Meter Fund and \$1,546.37 from Free Cash.

Article 3. To see if the Town will vote to instruct the Moderator to appoint a committee to prepare plans, specifications and estimates of cost for the construction of a 600-pupil Plymouth High School with central facilities designed to accommodate 900 pupils, to authorize application to the Community Facilities Administration of the Federal Government for a federal advance for preparation of plans, to make an appropriation from available funds for the expenses of said committee, or take any other action relative thereto.

Recommendation from the Finance Committee will be made from the floor.

Mr. Edward Chase moved that the Town instruct the Moderator to appoint a committee of five, not more than one member to be a member of the School Committee, to prepare plans, specifications and estimates of cost for the construction of a 600-pupil Plymouth High School with central facilities designed to accommodate 900 pupils; that the Town authorize application to the Community Facilities Administration of the Federal Government for a further federal advance of \$50,000 for the preparation of plans; that the Town appropriate from available funds the sum of \$500 for the expenses of said committee; and that the Committee appointed under Article 34 of the 1958 Annual Town Meeting be herewith discharged, but the motion was lost.

Article 4. To see if the Town will vote to instruct the Moderator to appoint a committee to prepare plans, specifications and estimates of cost for the construction of an addition to the existing Junior-Senior High School, including the acquisition of additional land, to make an appropriation from available funds for the expenses of said committee, or take any other action relative thereto.

Recommendation from the Finance Committee will be made from the floor.

Mr. Benjamin Brewster moved and it was voted, that the Town take no action under Article 4.

Article 5. To see if the Town will vote to request the Plymouth-Carver Regional School District Committee to draw up an amendment to the agreement, pursuant to which said Regional School District was established, setting forth the terms by which the Town of Plymouth may withdraw from the said Regional School District.

Recommendation from the Finance Committee will be made from the floor.

Voted: That the Town take no action under Article 5.

Article 7. To see if the Town will vote to raise and appropriate from available funds, including parking meter receipts, the sum of \$3,200 to complete the construction of the Middle Street Parking Lot, including the purchase and installation of parking meters thereon.

Recommendation from the Finance Committee will be made from the floor.

Voted: That the Town raise and appropriate from Street Parking Meter Funds the sum of \$2,800 to complete the construction of the Middle Street Parking Lot including the purchase and installation of parking meters thereon.

Article 8. To see if the Town will vote to raise and appropriate from available funds, the sum of \$825 as provided in Chapter 40, Section 5, Clause 37 of the General Laws; said appropriation to be spent under the direction of the Board of Selectmen. (Conventions and entertainment of Distinguished Guests.)

Recommendation from the Finance Committee will be made from the floor.

Voted: That the Town raise and appropriate from available funds the sum of \$825 as provided in Chapter 40, Section 5, Clause 37, of the General Laws; said appropriation to be spent under the direction of the Board of Selectmen.

Article 9. To see if the Town will vote to raise and appropriate \$2,000 from available funds, to be spent in conjunction with sums to be provided by the State or County, or both, for the reconstruction of the sea wall in front of the bath house at Plymouth Beach; the Town to assume liability as provided by Section 29, Chapter 91, as amended, for damages incurred hereunder.

Recommendation from the Finance Committee will be made from the floor.

Voted: That the Town raise and appropriate from Free Cash the sum of \$2,000 to be spent in conjunction with the sum of \$2,000 to be provided by the County, and \$4,000 to be provided by the State for the reconstruction of the sea wall in front of the bath house at Plymouth Beach; the Town to assume liability as provided by Section 29, Chapter 91 as amended, for damages incurred hereunder.

Article 10. To see if the Town will authorize the Selectmen to purchase for public purposes, including off-street parking, the land and buildings thereon of the First National Stores, so-called, on North and Brewster Streets shown as Lots 2, 3, 13A, 17, 18 and 19 of Plat 20 of the Assessors' Plans and to determine whether the Town will appropriate money therefor from available funds in the Treasury, including parking meter receipts; or by borrowing under Chapter 44 of the General Laws, as amended, or take any action relative thereto.

Recommendation from the Finance Committee will be made from the floor.

Mr. Donald Newey moved that the Town authorize the Selectmen to purchase for public purposes, including off-street parking, the land and buildings thereon of the First National Stores, so-called, on North and Brewster Streets shown as Lots 2, 3, 13A, 17, 18 and 19 of Plat 20 of the Assessors' Plans, subject to easements of record, and that the Town raise and appropriate or transfer from available funds for the acquisition of said real estate the sum of \$150,000; and to meet such appropriation \$50,000 be transferred from Free Cash and

that the Town Treasurer with the approval of the Selectmen be and hereby is authorized to borrow the sum of \$100,000 in accordance with the provisions of Section 7 (3) of Chapter 44 of the General Laws, as amended, so that the whole sum shall be paid in not more than ten years after the date of the issuance of the first bond or note or at such earlier date as the Treasurer or Selectmen may determine and that such debt incurred may be paid, in accordance with Section 22B of Chapter 40 of said General Laws, in part from receipts from parking meters.

Mr. William Armstrong moved that the Moderator appoint a Committee of five to report at the next annual town meeting, the feasibility of purchasing the First National Store property, but the motion was lost.

Mr. Hugh Maraghy moved that the Town authorize the Selectmen to purchase for public purposes, including off-street parking, the land and buildings thereon of the First National Stores, so-called, on North and Brewster Streets shown as Lots 2, 3, 13A, 17, 18 and 19 of Plat 20 of the Assessors' Plans, subject to easements of record, and to any restriction or condition acceptable to the Selectmen and that the Town raise and appropriate or transfer from available funds for the acquisition of said real estate the sum of \$150,000; and to meet such appropriation \$50,000 be transferred from Free Cash and that the Town Treasurer with the approval of the Selectmen be and hereby is authorized to borrow the sum of \$100,000 in accordance with the provisions of Section 7 (3) of Chapter 44 of the General Laws, as amended, so that the whole sum shall be paid in not more than ten years after the date of the issuance of the first bond or note or at such earlier date as the Treasurer or Selectmen may determine and that such debt incurred may be paid, in accordance with Section 22B of Chapter 40 of said General Laws, in part from receipts from parking meters and in the event the premises are not purchased, then said \$50,000 will revert to Free Cash, but the motion was lost.

The original motion of Mr. Newey was put before the meeting and voting by a show of hands, 36 in the affirmative, 96 in the negative, and requiring a $\frac{2}{3}$ vote, the motion was lost.

Article 11. To see what amount the Town will vote to raise and appropriate from available funds, including parking meter receipts for the purchase and installation of parking meters in that portion of the First National Store Lot, so-called, allocated to off-street parking.

Recommendation from the Finance Committee will be made from the floor.

Voted: That the Town take no action under Article 11.

Article 12. To see if the Town will authorize the Selectmen to appoint a committee of five members to study the uses to which the building together with the means of ingress and egress on the former First National Stores property shall be put and to report its findings to the next Annual Town Meeting.

Recommendation from the Finance Committee will be made from the floor.

Voted: That the Town take no action under Article 12.

Article 13. To see if the Town will vote to raise and appropriate from available funds, the sum of \$1,300 for the construction of a ramp at the south end of the sea wall at Plymouth Beach for public use; said appropriation to be spent under the direction of the Board of Selectmen.

Recommendation from the Finance Committee will be made from the floor.

Mr. Spencer Brewster moved that the Town raise and appropriate from Free Cash the sum of \$1,300 for the construction of a ramp, for public use, at the south end of the sea wall at Plymouth Beach; said appropriation to be spent under the direction of the Board of Selectmen. Voting by a show of hands, 65 in the affirmative, 47 in the negative, it was so voted.

Voted to adjourn at 11:30 o'clock p.m.

	Total Appropriations	\$9,171.37
Less Art. 2	Parking Meter Fund	\$700.00
Art. 7	Parking Meter Fund	2,800.00
	<hr/>	3,500.00
		<hr/>
Excess and Deficiency		\$5,671.37
M. HERBERT CRAIG, Town Clerk.		

Special Election — August 12, 1961

QUESTION NO. 1

“Shall the Town vote to approve the action of the Representative Special Town Meeting whereby it was voted to approve the amount of debt, to wit: \$2,450,000.00 authorized by the PLYMOUTH-CARVER REGIONAL DISTRICT SCHOOL COMMITTEE for the purpose of constructing, originally equipping and furnishing a regional high school building?”

Special Town Meeting — September 14, 1961

The Special Town Meeting was called to order by the Moderator George A. White at 8:00 o'clock p.m.

The number of Town Meeting Members present, as reported by records of the tellers, was 141. The Moderator declared a quorum present.

Article 1. To see what amount the Town will vote to raise and appropriate from available funds for salaries, wages and expenses of the following departments and accounts for the balance of 1961: Highway Department, Tax Collector, Police Department, Forest Fire Department and Garbage Collection.

Item No.	Requested	Recommended
1. Traffic Signs, Painting, etc.	\$400.00
2. Tax Collector, Other Expenses	430.00	\$430.00
3. Police, Auto Maintenance	1,000.00
4. Forest Fire Payrolls	1,500.00
5. Forest Warden, Other Expenses	500.00
6. Garbage Collection	1,000.00	908.00
From E & D	\$4,830.00	\$1,338.00

Voted: That the Town raise and appropriate from Free Cash the sum of \$3,838.00 for departmental salaries and expenses for the balance of the year, as itemized in the printed report of the Advisory and Finance Committee and to dispose of the 1954 International garbage truck, with amendment hereto voted:

That Item 6 be changed to read: Garbage Collection, \$908.00 and New Garbage Equipment, \$2,500.00.

Tax Collector, Other Expenses	\$430.00
Garbage Collection	908.00
New Garbage Equipment	2,500.00

Article 2. To see if the Town will authorize the Selectmen to purchase for public purposes, including off-street parking, the land and building thereon of the First National Stores, so-called, on North and Brewster Streets, shown as

Lots 2, 3, 13A, 17, 18 and 19 of Plat 20 of the Assessors' Plans and to determine whether the Town will appropriate money therefor from available funds in the Treasury, including Parking Meter Receipts; or by borrowing under Chapter 44 of the General Laws, as amended, or take any other action relative thereto.

Committee recommends favorable action and an appropriation of \$150,000.00 of which \$50,000.00 shall be from E & D and \$100,000.00 by borrowing in accordance with the provisions of Section 7 (3) of Chapter 44 of the General Laws, such debt to be paid, in accordance with Section 22B of Chapter 40 of the General Laws, in part from receipts from Parking Meters.

Mr. Alvin Tavares moved that the Town authorize the Selectmen to purchase for public purposes, including off-street parking, the land and buildings thereon of the First National Stores, so-called, on North and Brewster Streets shown as Lots 2, 3, 13A, 17, 18 and 19 of Plat 20 of the Assessors' Plans, subject to easements of record, and subject to the restriction that said premises shall not be used for the sale of food items to be consumed off the premises for a period of not more than two years from the date of the transfer, and that the Town raise and appropriate or transfer from available funds for the acquisition of said real estate and for the expenses of acquiring title and paying a pro rata share of the 1961 taxes, the sum of \$152,000.00 and to meet such appropriation \$52,000 be transferred from Free Cash and that the Town Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow the sum of \$100,000 in accordance with the provisions of Section 7 (3) of Chapter 44 of the General Laws as amended, so that the whole sum shall be paid in not more than ten years after the date of the issuance of the first bond or note or at such earlier date as the Treasurer or Selectmen may determine and that such debt incurred may be paid, in accordance with Section 22B of Chapter 40 of said General Laws, in part from receipts from parking meters.

Mr. Howard Barnes moved and it was so voted, that Article 2 be voted on by ballot.

Voting by ballot, 78 in the affirmative, 60 in the negative, and requiring a two-thirds majority, the motion was lost.

Article 3. To see what amount the Town will vote to raise and appropriate from available funds, including Parking Meter Receipts, for the purchase and installation of park-

ing meters, curbing and striping in that portion of the First National Store Lot, so-called, allocated to off-street parking.

Committee recommends an appropriation of \$6,600.00 from E & D.

Voted: That the Town take no action under Article 3.

Article 4. To see if the Town will authorize the Selectmen to appoint a committee of five members to study the uses to which the building together with the means of ingress and egress on the former First National Stores property shall be put and to report its findings at the next Annual Town Meeting.

Committee recommends favorable action.

Voted: That the Town take no action under Article 4.

Article 5. To see if the Town will vote to raise and appropriate from available funds, the sum of \$7,375.00 to purchase and equip one garbage truck for the Health Department.

Committee recommends an appropriation of \$7,174.00, from E & D, provided that, prior to September 14, 1961, a letter is received from the seller, stating they assume full responsibility.

Voted: That the Town raise and appropriate from Free Cash \$7,174.00 to purchase and equip one garbage truck for the Health Department.

Article 6. To see what action the Town will take towards housing for two (2) town-owned garbage trucks and make an appropriation therefor from available funds.

Committee recommends no action until concrete proposal of plans has been submitted.

Voted: That the Town take no action under Article 6.

Article 7. To see if the Town will authorize the Water Commissioners to relay a water main of not less than six inches (6") in diameter in Newfield Street from Summer Street in a southerly direction for a distance of 850 feet, approximately, to Jackson Lane and make an appropriation of \$7,800.00 therefor from available funds.

Committee recommends an appropriation of \$7,800.00 from E & D.

Voted: That the Town authorize the Water Commissioners to relay a water main of not less than six inches (6") in diameter in Newfield Street from Summer Street in a southerly direction for a distance of 850 feet, approximately, to Jackson Lane and make an appropriation of \$7,800, therefor from Free Cash.

Article 8. To see if the Town will vote to appropriate from available funds, including the Post-War Rehabilitation Fund, a sum of money to be used for the improvement and enlargement of the swim area and certain parking areas at Morton Park, so-called; said money to be spent under the direction of the Park Department.

Committee recommends no action.

Mr. Alvin Tavares moved that the Town take no action under Article 8.

Mr. Walter Haskell moved to amend the motion of Mr. Tavares by substituting the following: That the Town appropriate from Free Cash the sum of \$961.00 to be used for the improvement and enlargement of the swim area at Morton Park, so-called, said money to be spent under the direction of the Park Department, and it was so voted.

Moved to adjourn at 10:20 o'clock p.m.

M. HERBERT CRAIG, Town Clerk.

ANNUAL REPORT
OF THE
School Department
OF THE
Town of Plymouth
MASSACHUSETTS

FOR THE YEAR ENDING
DECEMBER 31

1961

REPORT OF THE PLYMOUTH-CARVER REGIONAL DISTRICT SCHOOL COMMITTEE

To the Residents of the Towns of Plymouth and Carver:

This is a report to you from the members of the Regional School District Committee. Much has transpired during the past year and the Committee will attempt to present a concise report of their activities.

In November 1960 the District received permission to borrow \$100,000 for preliminary plans and purchase of land for a school site. Before this money could be borrowed, a hearing was held with the Emergency Finance Board at the State House. Approval was received from the Emergency Finance Board for the Committee to borrow this money in January.

In March the following members were elected to the Regional Committee: Dr. Samuel Stewart, Mr. David Cappannari, and Mrs. Adeline Keller from Plymouth and Mr. Franklin Wilbur from Carver. Appointed from their respective School Committees were: Mr. Erwin Washburn from Carver and Mr. Spencer Brewster and Mrs. Jane Gellar from Plymouth.

Many public meetings were visited by members of the Committee at which time they spoke on the proposed new High School.

At the annual Town Meeting in March, the Town Meeting Members in Plymouth and the Town of Carver approved the indebtedness of the District in the amount of \$2,550,000.

Within the legal period of time required, a petition for referendum was circulated and a sufficient number of signatures was secured which required the Selectmen of the Town of Plymouth to call for an election. The election defeated the action taken previously by the Town Meeting Members.

Under the existing statute at that time, the Committee was forced to make sufficient changes in the plans to reduce the amount originally requested. Many meetings and conferences were held with the architects and the School Building Assistance Commission to revise the plans without affecting to any major degree our educational program.

In June a special Town Meeting was called and the indebtedness of the District in the amount of \$2,450,000 was approved. Again, under the provisions of Chapter 283 and Section 9 an election was held in August at which time the voters confirmed the action of the Town Meeting held in June.

In October the Chairman and Superintendent appeared before the Emergency Finance Board and approval was given for the District to borrow \$2,450,000 in the form of notes or bonds.

Also, during the month of October, the Committee advertised for bids on preliminary site work. This was awarded to the lowest bidder — Eastern Tree & Landscape Corporation of Dedham. As of February 1962, two-thirds of the preliminary site work has been completed.

In November, \$2,350,000 in bonds were sold at an interest rate of 3.2% and a premium of 100.74. An additional \$200,000 is being held by the District awaiting the actions of the Towns relative to the use of Stabilization Funds and matching funds from the Commonwealth. The Committee voted to accept the recommendations of the Finance Committees of both Towns relative to the use of Stabilization Fund money. If the Stabilization Fund article is approved by both Towns, the District will issue no additional bonds as indicated by the Committee in the letter of transmittal to both Boards of Selectmen.

This report must recognize the services of the members of the Plymouth High School Building Committee,

the Interim Regional Committee, and the Citizens Group that have helped in advancing the project to this stage.

The Committee hopes to open bids early in April 1962 and plans to have classes begin in September 1963.

Respectfully submitted,

DR. SAMUEL STEWART, Chairman
JANE GELLAR, Secretary
SPENCER BREWSTER
DAVID CAPPANNARI
ADELINE KELLER
ERWIN WASHBURN
FRANKLIN WILBUR

ANNUAL REPORT OF THE SCHOOL COMMITTEE AND THE SUPERINTENDENT OF SCHOOLS

To the Residents of the Town of Plymouth:

I herewith submit my second annual report in cooperation with the Plymouth School Committee. This report in part will include various reports from the departments that are important to our school system. I recommend careful reading so that you may become better acquainted with your school system.

Since assuming the position of Superintendent, many unresolved situations have finally become realities. The passing of the school bond issue for the construction of a new four-year High School with the Town of Carver was a necessity as a forerunner in attempting to solve the many problems that are facing the Plymouth School Committee. The School Committee can now actively plan for the future needs of the students in Grades 1-8.

Census

Last spring a thorough census was taken of all pre-school children. The following chart represents first grade entrants and is the result of the census:

1961 - 288
1962 - 239
1963 - 251
1964 - 266
1965 - 220
1966 - 229

This is an actual census. No allowances have been made for increase or decrease of pre-school population.

Committees

There are two committees presently at work. The Manomet Study Committee under the chairmanship of Mr.

Henry Cappella will present their findings at the annual Town Meeting in March of 1962. This Committee has worked hard and long in attempting to solve the school problems in the Manomet area.

The Renovations Committee for the Junior-Senior High School is seriously considering the many changes necessary to update and revitalize this building for use by the fifth and sixth grades and the Junior High School (grades 7 and 8). This Committee is under the chairmanship of Miss Mary M. Dolan who is also a member of the Plymouth School Committee.

Curricula

Along with the many physical problems confronting the School Department there has been a continuous effort on the part of the administration and teaching staff to evaluate, improve, and implement changes in the curriculum at all levels.

Our Senior High School Science Department is currently using the new materials provided by the Physical Science Study Committee and the Biological Institute. The English curriculum for the Juniors has been revised and brought up to date. This is just a very brief statement relative to the types of activity that are being carried on in our High School.

The grouping at the Junior High School has certainly allowed for a challenging experience to be offered to the students. Students at the ninth grade level are allowed to select a variety of courses, if qualified. French, Latin, Algebra, and Earth Science are being offered along with the required courses.

Members of the elementary teaching staff are conducting a self-evaluation of their schools. The results of this evaluation will be used as a basis for improving our curriculum.

Grouping at the intermediate level in the reading area has already become a reality in one school and it is planned that in the near future this Modified Joplin Plan will be introduced into the other elementary schools in the Town. Acceleration in the self-contained classrooms is also being introduced in several of our schools.

In the spring every child in the elementary grades was administered a standardized achievement test. The results of these tests indicate that the level of academic achievements compare favorably with national norms and above average in several areas. Also, the data is being used by the teachers to help strengthen and develop the pupils to their fullest potential.

I cannot leave this section without making mention of the need for a kindergarten program for the town. This should seriously be considered if and when the facilities are available.

Personnel

Several changes have taken place during the past year. We were very fortunate in filling our vacancies with qualified individuals, but it is still difficult to secure and retain the quality of teacher we wish to have instruct our children.

The untimely passing of Mr. Loring R. C. Mugford, principal of the Junior High School, leaves our school system without the services of a highly respected educator.

The sudden passing of Mrs. Margaret Brown, after a short period of retirement, was deeply felt by all who knew and associated with her for so many years.

Mr. William Gault has been appointed to the position of Acting Principal of the Junior High School for the remainder of the school year.

After screening and interviewing several candidates, Mr. Emmett B. Finck, Principal of the Cold Spring School, was unanimously appointed to the position of Assistant Superintendent of Schools.

Mr. George Hesse, a teacher at the Hedge School, was appointed to the Principalship left vacant by the promotion of Mr. Finck.

This fall an additional clerk was added to the school staff to assist the Principals of the Manomet and Mt. Pleasant Schools. This will leave the services of these two educators available to perform the duties for which they were trained.

In the School Department Office, Miss Elinor Sander-son, a loyal and faithful member of the staff for 15 years, left to assume the position of Office Manager for a local concern. I personally wish to express my thanks to her for her capable assistance during my beginning months as Assistant Superintendent. Mrs. Barbara Talbot left to accept another position after serving the School Department for 3 years. Mrs. Lorraine Gould and Mrs. Severina Estes were appointed to fill the existing vacancies.

Retirements

After 46 years of dedicated service to the town, Miss Margaret Christie, second grade teacher at the Cold Spring School, chose to retire. Miss Christie will be missed by the members of the School Department, but she is wished much happiness in her retirement.

Mr. Claiborne Young, teacher of Biology for 17 years in Plymouth High School, retired to enjoy his leisure in his New Hampshire home. Mr. Young was a dedicated educator, and will be long remembered by the many students who enjoyed both his classes and the many extra-curricular activities for which he was responsible.

Mrs. Maxine Ludington retired after serving 19 years in various schools of our town. Mrs. Ludington is wished many happy years of profitable leisure.

Finances

The continued rising cost of education in the Commonwealth is of major concern to the taxpayer. The antiquated system of support for public education in our state by which the real estate owner feels directly any increase in school cost needs to be studied and a better system of taxation for support of public education is necessary.

In a cost comparison of communities with a population of over 13,500 Plymouth ranked 40th out of 48 communities. The per cent given is the per cent the school tax rate is of the total tax rate.

1961 Tax Rate

	Total	School	Per Cent	Rank
Auburn	\$61.50	\$41.00	67%	1st
Plymouth	\$60.80	\$22.65	37%	40th
Southbridge	\$82.50	\$22.77	28%	48th

School Plant Improvements

The following improvements were made in the school buildings during 1961:

Junior-Senior High School

- Gutters repaired at Junior High
- Playground hardtopped
- Exterior painted at Junior High
- Fluorescent lighting installed in several classrooms

Mount Pleasant School

- Fluorescent lighting installed

Hedge School

Heating controls replaced

In conclusion, may I express my appreciation to the residents of Plymouth for the fine support given to their schools. It is only through such continued support that we can instill the democratic principles in our youth upon which the future of the country rests.

Respectfully submitted,

SPENCER H. BREWSTER, chairman

F. EDWARD NICOLAS

Superintendent of Schools

ANNUAL REPORT OF THE PRINCIPAL OF THE HIGH SCHOOL

The year 1960-1961 witnessed some changes in the school which were the result of two factors — changes in personnel and the continuing process of trying to provide our students with the best possible education within the framework of existing conditions.

The limitations of the physical plant necessarily place some severe restrictions on those areas where the need for change is recognized but about which nothing can be done because of circumstances over which we exercise no control. Outstanding among the needs in this category are shop and home economics facilities available on a full-time basis, expanded science laboratories and an adequate language laboratory. The faculty has labored long making plans which hopefully could be implemented before the new high school building becomes a reality. It is sad to contemplate the educational opportunities which are now being denied the students in the school. To them it is little consolation and of less value to be told that others may enjoy the opportunities at a later date.

We can, however, point to many advances which have been made at the secondary school level in recent years. They have come about because of the support given the faculty by the Superintendent and the School Committee.

From time to time the suggestion has been made that too much emphasis is placed in this school on preparation for education beyond high school. There are also those who maintain that not enough is being done for the group in question. The fact of the matter is that the percentage of students from this school who go on to further education is increasing. At the time of writing, 63% of the class which will graduate in June of 1962 are planning an education beyond secondary school. It is obvious that the educational aims of such a large percentage of our stu-

dents dictate emphasis on post-secondary school preparation. This is not to say that the needs of the remainder of the students can be overlooked. Every effort is being made to cater to those needs within the framework of existing possibility.

The mushrooming interest in post-secondary school education has brought with it a series of problems for students and parents alike. The school's expanded guidance services, evening meetings with parents of college-bound students at all grade levels, and frequent pupil-parent-teacher conferences are attempts to alleviate those problems. Dissemination of information about colleges is now a must since the college horizons of parents and students seldom include colleges other than those they know, either personally, or because a friend or a friend of a friend attended. Most people think in terms of the "prestige" colleges. The term for first and second choice colleges is now "prestige" and "insurance" colleges. There is some correlation between prestige and quality, but the prestige current in the world of rumor is not necessarily justified by performance, it may be appropriate to one division of a university but not to another. It may not have attached to a college that it should have. It may be completely irrelevant to the capabilities, the interests, and the needs of a particular student. Information about these matters is of vital concern to parents and students alike.

The secondary school must know about colleges and other post-secondary schools and try to transmit that knowledge to the student and his family. The facts which must be known about a college before a decision is made include not only the knowledge that it is large or small, but also information about its elective system, honors courses, its policy with respect to athletics, fraternities, and student personnel services. All these must be considered carefully before students can make wise application to schools and colleges they hope to attend.

For the first time the school had at its disposal the services of a full-time nurse. It is impossible to estimate the benefits resulting from this service, but it would appear that because of it the school is a much better place for students and faculty alike.

It is only in recent years that the public at large has come to accept the concept that a cafeteria is a most important part of any educational plant. Although our cafeteria is crowded and the area reserved for the preparation of food is inadequate and antiquated, we are fortunate in quality, quantity, and variety of food prepared by the cafeteria manager and her staff and served to some one thousand students daily of which number more than five hundred eat complete meals.

Because of the outstanding performance by the students from Plymouth High School who attended the Tufts Youth Conference in 1960, the singular achievements of the student delegate to the State House, and the work of the Student Council, the High School was extended an unprecedented second invitation to the Tufts Youth Conference in 1961. For these and other activities the Secondary School Principals Association in conjunction with the State Department of Education and the Sears Roebuck Foundation singled out the school and its student council for its leadership in the field of student government.

The progress made and the honors won I consider to be a tribute to the faculty and the student body who made them possible.

Respectfully submitted,

LAWRENCE M. BONGIOVANNI

ANNUAL REPORT OF THE PRINCIPAL OF OF THE JUNIOR HIGH SCHOOL

May I ask that you appreciate the difficulty with which I begin this annual report of the Junior High School principal. I am entirely aware of the sense of grief which has been felt throughout our community with the passing of a long-respected and deeply loved teacher and administrator, Principal Loring R. C. Mugford. He has been to all of us, students and teachers, both a true friend and a respected educational leader.

Despite our very crowded conditions, many wonderful and varied extra-curricular offerings are still entirely available to our morning-session membership and to a certain few among the Grade 7 student group. Our band has continued to provide opportunities for both sessions. The annual Band Concert and Drum Major Drill again provided eloquent testimony to worthiness of this activity. We know that you were just as proud of your children in this performance as we were. We offer this in evidence to prove the wonderful possibilities of achievement which the talents of Plymouth children allow when supervision of such excellence can be provided for them.

There are so many individual credits to staff members that are deserving of your attention that one approaches the task with an understanding that many of our worthy accomplishments must remain unsung. It has been pleasantly simple to observe the great pride which our entire school has felt in the athletic successes which have been achieved by our boys and girls in their various intra-school competitions. There are no words to properly describe the achievements of our boys' teams. Our weekly newspaper and our local radio station have kept you fully acquainted with a story of success that is difficult to equal.

A special word of thanks to Mr. James Connell, local insurance executive, who has so willingly assisted our

Business Education department in their efforts to have our young people better understand the advantages that are available to them in our business community. It is sincerely hoped that Mr. Connell's activity here is but an opening of a door that has too long seemed closed.

Particular pleasure has been found in our ability to re-introduce Music into our curriculum. Because of the late appointment of our music teacher, it was not possible to schedule classes in this field except for Grade 7. It is hoped that more of his time will be made available to us next year in order that this wonderful enrichment may be made available to all students.

Our annual publication, **The Junior Journal**, is a source for the employment of many student talents. It is our wish that you might share our understanding and appreciation of the many honest efforts that are displayed here. This year's student editors are enjoying experiences in leadership that will certainly prove of great value to their personal development and to the pride and pleasure which all of us will share in the enjoyment of this finest-of-all student creations.

In conclusion, may I suggest with all due humility that this year, even as in the years that have preceded, your Junior High School has found itself facing increasingly complex problems squarely. Mr. Mugford's passing leaves us with a distinct understanding of our great deprivation. We seek your understanding of the seriousness with which we view our tasks, and we offer you the very simple promise of continued service of a most able staff of wonderfully sincere faculty members.

Respectfully submitted,

WILLIAM J. GAULT, JR.

Acting Principal

ANNUAL REPORT OF THE DIRECTOR OF GUIDANCE

The function of the Guidance Department in the Plymouth school system is to serve as an adjunct to the instructional and administrative activities of the educational structure. Our guidance program is geared to the development of individual potentialities, thus our goal is to satisfy the vocational, educational, and psychological need of all pupils in the school organization.

In the elementary schools, scholastic ability and achievement tests are administered and the results are recorded in each pupil's cumulative record folder. These results serve the dual purpose of measuring and comparing level of ability with level of achievement, and of providing a guide in determining pupils' grade placement. Last spring the Director of Guidance, the two Junior High School counselors and Mr. Mugford, principal of the Junior High School, visited all of the elementary schools to conduct orientation meetings with the sixth graders. After a description of the program and activities of the Junior High School, there was a question and answer period which gave the sixth graders an opportunity to gain information which hopefully will make for a smoother and easier transition from the grade school to the Junior High School.

The greater part of guidance counselors' time is devoted to counseling with individual students. At the Junior High School level these conferences involve such matters as grade placement, transfers, school work (including deficiencies or failing marks), course selection, Career Book information, personal and social problems.

Testing is an integral part of the guidance program in the Junior High School. Results of the N.E.D.T. (National Educational Development Test) and of the Science Research Achievement Tests serve as tools in the counselors'

appraisals of students in conferences between guidance staff members and pupils, parents, teachers, administrators and referral agencies. At a Parents' Night, part of the meeting was devoted to an explanation and discussion of the testing program.

In both the Junior and the Senior High Schools we have continued to expand the vocational information files which are available to all students. In connection with occupational counseling, mention should be made of the services offered by members of the Plymouth Rotary Club. Rotarians in various classifications have signified their willingness to consult with students interested in learning more about the profession or vocation they represent.

In the Senior High School the guidance staff administered the following testing programs: National Merit Test (for juniors), P.S.A.T. (Preliminary Scholastic Aptitude Test, a "practice" test for juniors and seniors in preparation for the College Board S.A.T.) and the annual battery of tests for sophomores. This battery consists of tests covering school ability, occupational interest, reading ability, clerical aptitude and spatial relationships. This year we added a test in English expression to the battery. As before, the counselors discuss and interpret the results of these tests, and provide each student with a copy thereof. The Guidance Department, in cooperation with the English Department, made arrangements for the administration of Reading Comprehension and Listening Comprehension tests to college preparatory juniors and seniors for the purpose of appraising the effectiveness of the Harvard series of reading films.

As in the Junior High School, the majority of the guidance staff's time is spent in counseling with students individually. Last year the Guidance Department initiated a program wherein individual conferences were held with every sophomore and junior to plan and project the academic program of studies through the senior year. Services

rendered by the counselors cover such areas as job surveys and placement, military service information, guidance concerning post-secondary school selection, application, and financial aid, and counseling relative to personal, social, and school problems.

In view of the expanding numbers seeking admission to four-year colleges, junior colleges, business and vocational schools, a Parents' Night was held for college bound students and their parents in the fall. The purpose of the meeting was to explain the procedures and problems attendant to preparation, entrance requirements, selection and entrance examinations for post-secondary schools.

A statistical survey of the class of 1961 reveals the following figures:

- 80 or 52% went on to school or college
- 12 or 8% went into office work
- 21 or 14% took other employment
- 3 or 2% married
- 27 or 17% went into the armed services
- 11 or 7% were undecided

Of the 52% who entered post-secondary school, the breakdown is as follows:

- 34 or 22% — 4-year colleges
- 7 or 4.6% — 2-year junior colleges
- 13 or 8% — business schools
- 9 or 6% — technical schools
- 5 or 3% — hairdressing schools
- 4 or 2.6% — Preparatory schools
- 1 or .7% — Professional nursing schools
- 5 or 3% — practical nursing schools
- 2 or 1% — high school postgraduate

By all indications, the class of 1962 will have a higher percentage of graduates entering four-year colleges, junior colleges and other post-secondary schools.

No guidance department could function without the assistance and cooperation of the administrative staff, principals, teachers, nurses, clerks and custodial staff; the Guidance Department appreciates and acknowledges this help with thanks. By the same token we are grateful for the services rendered by agencies outside the school, such as the Judge Stone Child Guidance Center, the S.P.C.C. and the Massachusetts Division of Employment Security.

Every member of the guidance staff is taking or recently has taken graduate course work to increase professional competence, and each counselor continues to attend meetings and conferences to expand understandings and skills in the field of guidance counseling. As Director of Guidance, I wish to express thanks to my staff for their sincere effort and devotion to their profession.

Respectfully submitted,

EDWIN E. CALVIN,

Director of Guidance

REPORT OF THE MUSIC SUPERVISOR

1961 has been a year of healthy growth in the musical development of the boys and girls in the elementary grades of the Plymouth schools. In our classrooms there has been fuller use of all phases of the music program, especially of the record library which is beginning to take shape in each school.

Approximately 50 children have participated in the string program of the elementary grades. Their work made possible an orchestra group in each building containing 5th and 6th grades. In June, the most advanced players from these groups formed an all-elementary school orchestra which played at the Spring Musical, presented in Memorial Hall. The beginners' violin classes also took part in this Musical.

Another outgrowth of the string program was the Plymouth Youth Orchestra, which, too, participated in the Spring Musical. This 20-piece orchestra was composed largely of junior and senior high school pupils, who met weekly with me in late afternoon.

It has been gratifying to have a young man, who began his "cello study in the elementary schools" string program, the recipient of a scholarship from the Plymouth Philharmonic Orchestra. For the second year, Daniel Ellis of Manomet is receiving this scholarship, enabling him to study 'cello with an excellent private teacher.

The glee clubs of the elementary schools also participated in the Spring Musical at Memorial Hall, as well as in numerous programs within their own schools.

In September a new music book was introduced into third grade. It is based on the concept of providing a well rounded music program for the children, and is proving a source of inspiration to both pupils and teachers.

It has necessitated some changes in the course of study in music for the elementary grades, which course has been in the process of formation and revision throughout the past three years.

In the spring at the urgent request of members of the 1961 high school graduating class, I met weekly after school with a volunteer group of about 40 of its members to assist them with music for their graduation exercises.

It is especially pleasing to find so many parents showing interest in their children's musical progress. Besides the goodly number of boys and girls who are taking advantage of the programs of instrumental instruction in the elementary grades, many children are taking instrumental lessons from private teachers. This private instruction is most valuable in the child's musical growth, and also helps to raise the level of all group performance.

We are glad to find a large number of our boys and girls using their music in the community organizations to which they belong, as well as in their homes. We hope that their number will increase, as we work toward our goal of "Music for every child; every child for music."

Respectfully submitted,

GRACE M. MESERVE

ELEMENTARY PHYSICAL EDUCATION REPORT

During the past ten years there has been increasing concern over the physical well being of the people in the United States. There has also been a great deal of pressure put on the youth of this country concerning their physical fitness. This year we have started on the road to achieving one of the main objectives in the program of elementary physical education in Plymouth and that is to start a physical fitness program.

During the last week in September, we administered the President's suggested minimum fitness test which his council on youth fitness has devised. Three test items composed the whole test; **pull-ups** for arm and shoulder strength, **sit-ups** for flexibility and abdominal strength, and **squat thrusts** for agility. This being a minimum test the boys had to do only one pull-up, 14 sit-ups, and 4 squat thrusts in ten seconds while the girls had to do 8 pull-ups of a modified version, 10 sit-ups, and three squat thrusts in ten seconds. If the participant failed any one of the test items, they would fail the whole test.

During the first test 890 pupils from the five Plymouth elementary schools ranging from the third grade to the sixth grade were tested. The number of failures was very high, 38% to be exact. After an eight week period a second test was administered in which 860 pupils were tested. There were 25.1% failures which was a drop of 12.9%. The greatest amount of failures occurred in the area of strength, and the boys, because of the more difficult pull-ups, had the greatest number of failures.

This minimum test proves that we must place more stress into the development of the upper body segments. The test itself is unimportant unless we do something about the lack of fitness in our youth. The Plymouth School Board has made it possible for the children to have a ten-minute exercise period each day. This ten-

minute exercise period administered daily along with the supervised recess period and the regular weekly physical education class is a good start for reducing the number of physically unfit youth of Plymouth.

Respectfully submitted,

ROBERT D. HASELTON

ANNUAL REPORT OF ORAL HYGIENE-DENTAL CLINICS

January 1961 — December 1961

I herewith submit my report for the year 1961:

It is hoped that the high standards of the dental department in the Plymouth Public Schools may serve to inspire the pupils to study dentistry or follow careers allied to dentistry.

In the fall the School Dentists examined 2,513 pupils from the Elementary-Senior High School. 1,140 pupils were found to have all needed corrections made, and many others were found to be receiving dental care at this time.

The parents were notified as to the results.

We have recommended more study hours in Nutrition in the Junior and Senior High Schools.

There were 209 Pre-school examinations made by the School Dentists in conjunction with the medical examinations in May with the parents present.

92 Children needed no attention

115 Children have a family dentist

40 Children to dentist

Percentage of Dental Corrections

Pupils examined Grades 1-6 in fall of 1960	1,262
Pupils with all needed corrections made....	649

Results of these examinations as of June 1961

Follow-up Program in Elementary Schools

Oak Street School	92%
Grade I had 100% in dental corrections (Pupils with dental certificates)	
Cold Spring School	68%
Cornish-Burton School	71%
Hedge School	59%
Manomet School	58%
Mt. Pleasant School	81%

All pupils in Grades 1-6 were given the opportunity to have a dental prophylaxis (cleaning of teeth), a total of 1,010 were completed by the Dental Hygienist.

Good dental health habits learned in childhood will prevent many serious troubles in later life.

A Three Point Plan for Good Dental Health:

1. A well-balanced diet that cuts sweets to a minimum.
2. Correct tooth brushing right after eating, when impossible to brush rinse the mouth with water.
3. Regular check-ups with the dentist.
Special emphasis was given to the educational program during **Children's Dental Health Week** in February.

Dental Clinic

This year to help facilitate our dental needs, we have a reconditioned Ritter dental unit, to replace the outmoded one at the Bradford Building, also, the dental cabi-

net has been refinished. A new S. S. white portable dental chair that is of great service to the dentists in making the examinations in the schools where no dental chair is available.

Clinic sessions (reparative work and examinations)....	80
Completed cases at Clinic	62
Fillings in six-year Molars (Permanent teeth)	65

Extractions

Temporary (Baby teeth)	91
Permanent (Special Class pupils—2, Grade II—2)	4
Treatments (Including X-ray)	134

Amounts received for clinical services rendered:

Fees returned to the Town:

For tooth brushes sold	\$103.94
For dental prophylaxis	99.60
For filling and extractions	13.00

Total	\$216.54
-------	----------

The Dentists again recommend that the Board of Health and other health offices encourage the use of fluoridated water in the Town, as a means to help prevent dental decay in the children's teeth.

I wish to thank the people with whom I work for the fine cooperation given me.

School Dentists

WILLIAM O. DYER, D.M.D.

FRANCIS C. ORTOLANI,

D.M.D., F.A.C.D.

Respectfully submitted,

JANE B. BRADFORD,

Dental Hygienist

ANNUAL REPORT OF THE ELEMENTARY SCHOOLS

The reports of the elementary school principals, Mrs. Elouise Cashin, Mr. George Hesse, Mrs. Helen Manchester, Mr. George Theodoras, and Mrs. Eleanor White are summarized below.

To relieve the large numbers in grade one in the Hedge and Cold Spring Schools in September, certain first, second, third, and fourth grade pupils from Carver Road, South Pond Road, and Sandwich Street were transferred to the Cornish School where an additional first grade was set up. Even so, first grade classes at Hedge and Cold Spring Schools are in the middle thirties, about ten pupils more than is considered desirable for one teacher. Overcrowded classrooms at the Manomet School necessitated the assigning of an additional teacher to relieve the teacher load.

During the past year special emphasis has been placed on raising the scholastic and physical standards of achievement in all areas of the elementary grades. A strong phonics program — the Hay-Wingo Phonetic System — has been added to the regular reading program. Participation in the Television Educational Programs is enriching the music program in second grades, the science in grades one, two, and six, and has added conversational French to the curriculum in grades four, five, and some sixths. Teachers of these grades are attending a monthly French Workshop conducted in Plymouth by a member of Channel 2's educational staff. The Audubon course was taught in grades five; free instrumental instruction continued for pupils in grades four, five, and six; a course in the use of the library was taught to some sixth grades by Plymouth Public Library librarians; and home instruction was made available to children

so physically or mentally handicapped that school attendance was impossible. Field trips undertaken by elementary pupils during the year were many and varied, but always an integral part of the curriculum.

New equipment was provided as needed in the various schools. The film library was expanded to include films suitable for primary grades and more filmstrips were purchased for each elementary school.

A new homework policy for elementary pupils was put into effect. Pupils in grades four, five, and six are assigned one home lesson a day and homework is recommended for pupils in the primary grades as individually needed.

The revised Metropolitan Achievement Tests were administered in grades one through six and the results showed that Plymouth elementary children are achieving well above the national norms in all areas.

The Kuhlmann-Anderson Intelligence Tests were used in grades one, three, and five and Stanford Binet and Wechsler Tests of Intelligence were given individually by the school psychologist to pupils whose group scores were questioned and to pupils whose achievement appeared above or below their mental ages or grade levels. Special Class pupils are given individual tests at least once every two years. Some provision for gifted pupils has been made in each of the elementary schools — acceleration in some cases; enrichment and advanced work in others.

The visiting psychologist from the Judge Stone Clinic continued his services to Plymouth teachers and a part-time speech therapist was employed by the School Department.

P.T.A. units have been active in each of the elementary schools and have been most generous with their time and gifts.

Services and activities in which pupils and teachers have participated during the year include enrollment in the Red Cross Association; clothing collections for "Save the Children" campaign; school insurance; and a weekly thrift program.

Elementary teachers have cooperated with the State College by accepting students in their classes for practice teaching.

A thorough and careful school census was conducted with the elementary principals directing the program in their respective areas.

Principals and their staffs have begun organizing plans and procedures to be followed in their schools in the event of an emergency alert.

The entire elementary school personnel is now engaged in evaluating the elementary schools. The Elementary School Evaluative Criteria prepared by Dr. Baker of Boston University is being used to make this evaluation. All areas are being studied — the curriculum, the school plant, the guidance and library services, and the teaching and administrative personnel. Recommendations for improving our elementary schools will evolve from this study.

The elementary school principals respectfully recommend that

1. specially trained remedial reading teachers be employed by the school system.
2. a supervisor for the teaching of French be employed by the School Department.
3. at all grade levels, particularly at the primary, class enrollments not exceed twenty-five pupils.
4. pupils in grades one, for at least the first two weeks of school, attend morning sessions only.

5. changes be made in the curriculum as recommended by the Evaluation Study.
6. the school day be lengthened by thirty minutes, preferably in the morning.
7. the following programs be continued:
 - a. the development of school libraries
 - b. bringing old equipment up-to-date
 - c. purchase of films and filmstrips for elementary schools
8. parking spaces for school employees be provided where needed.

ONE HUNDRED AND SEVENTH
ANNUAL REPORT
OF THE
Water Commissioners
AND
Superintendent
OF THE
Town of Plymouth
MASSACHUSETTS

FOR THE YEAR ENDING
DECEMBER 31

1961

One Hundred and Seventh Annual Report of the Water Commissioners

The Board of Water Commissioners submits the One Hundred and Seventh Annual Report covering the calendar year 1961.

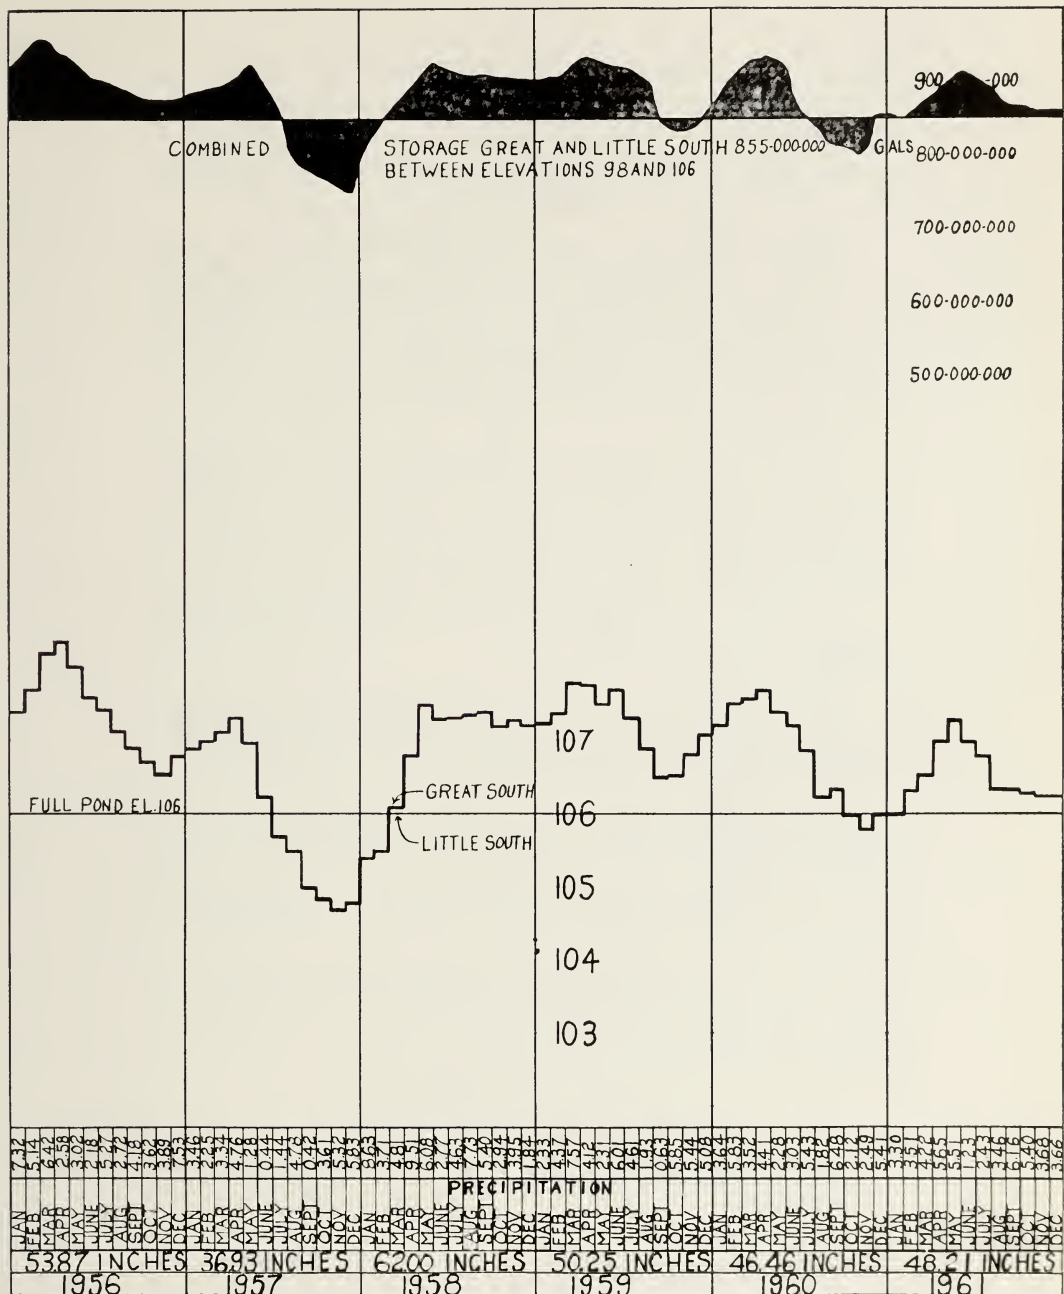

The total rainfall during the year amounted to 48.21 inches, which is slightly in excess of the long-time average of 45 inches. The year ended with the water elevation at Little South at 106.25 feet, compared with 106.00 feet for the previous year end.

The height of the water level in Great and Little South Ponds is an important factor in the operation of the system, as the elevation of the Ponds is a measure of the available water in storage. At approximately five year intervals the Water Department includes with the Annual Report a sheet showing the annual rainfall, with a curve showing how the elevation of the Ponds has varied from month to month over the past ten years.

This year the chart is being published. The curve shows that during the last seven years the Pond levels have been consistently high and the system has had a generous and ample quantity of water in storage. Although two deep wells supply from one quarter to one third of the water consumption, the height of Great and Little South Ponds is always a matter of concern to the Department.

The new fully automatic pumping equipment, put into operation during the summer of 1960, has operated satisfactorily and has made it possible to reduce the amount of help required to operate the Lout Pond Pumping Station.

With the new pumping equipment it is no longer a requirement of the Lout Pond engineers to live in the sta-

tion residence. Due to the age of this building and its need for extensive maintenance work, the Commissioners plan to abandon the building and turn it over to the Board of Selectmen for disposal. The two engineers have arranged for living quarters elsewhere.

On September 25, 1961, the Department hired John E. Holmes of Plymouth to fill the position of Assistant to our Superintendent. For the past several years the Commissioners have been actively looking for a candidate to fill this job and now feel fortunate in getting a man of Mr. Holmes' qualifications to join the Department.

The prolonged cold spell during the past winter, which started on January 19th and lasted for nineteen consecutive days, during which the temperature never rose above freezing, caused a considerable number of frozen services. The Department personnel thawed out 90 of these freeze-ups and local shops took care of an unknown additional number.

The total gallons pumped during the year amounted to 562,416,000 which is practically identical to the total of 562,550,000 pumped during 1960.

Receipts from the sale of water, connections to new mains, services rendered, etc., has shown a substantial improvement in the annual revenue and is a result of the increase in rates which was put into effect in May 1960.

The Stone Tank on Rocky Hill Road was painted two coats, both inside and outside and the riser on the Porter Harlow Tank was also painted.

Appropriations Requested for 1962

Maintenance and Labor	\$73,315.00
Salaries	29,517.00
Emergencies	2,500.00
Regular Construction	2,000.00

Special Articles — 1962

Lay water main in Bartlett Road	\$45,000.00
Fill in abandoned open Reservoir	2,800.00
Purchase and Install New Chlorinator	2,000.00
Engineering Survey — Seven Hills Rd., etc.	1,500.00

Changes due to Chapter 90 Road work

SUMMARY OF STATISTICS

(Published by request of the New England Water Works Association, Plymouth, Mass., Water Works.)

Population, 14,450. (Summer population, 15,250, according to Selectmen's estimate.)

Date of construction, 1855.

By whom owned, Town.

Source of Supply, Great and Little South Ponds, Manomet Well, Lout Pond Well.

Mode of supply, Pumping.

PUMPING

Builders of pumping machinery, Fairbanks-Morse, Deming, Warren and Morris electric.

Pumpage for the year:

Lout Pond Pumps (electric)	462,962,000 gals.
Lout Pond Deep Well (electric)	78,386,900 gals.
Manomet Deep Well (electric)	21,067,100 gals.

Total pumping	562,416,000 gals.
---------------	-------------------

(Note: New High Service (electric),
54,328,000 gals. RE-PUMPED.)

Average static head, 94.0 feet.

Average dynamic head, 103.0 feet.

Number K.W.H. consumed:

Lout Pond Station	265,960 K.W.H.
Manomet Deep Well	26,420 K.W.H.

Total K.W.H. pumping	292,380 K.W.H.
----------------------	----------------

Number K.W.H. RE-PUMPING	58,470 K.W.H.
--------------------------	---------------

Total Consumption	350,850 K.W.H.
-------------------	----------------

STATISTICS OF CONSUMPTION OF WATER

Population, 14,450. (Summer population, 15,250, according to Selectmen's estimate).

Estimated population on pipe line, 12,500.

Estimated population supplied, 12,500.

Total consumption for the year, 562,416,000 gallons.

Average daily consumption, 1,540,865 gallons.

Gallons per day to each inhabitant, 123.

Gallons per day to each tap, 309.

STATISTICS RELATING TO DISTRIBUTION SYSTEM

Kind of pipe, Cement lined sheet iron, Cement lined cast iron Asbestos cement.

Sizes, From 2-inch to 30-inch.

Extended, 550 feet.

Discontinued, None.

Total now in use, 90 miles, 800 feet.

Cost to repair per mile, \$31.48.

Number of leaks per mile, 0.20.

Small distribution pipe less than 4-inch, 4 miles, 2,380 feet.

Hydrants now in use, 529 public and 79 private.

Stop gates added, 15. Discontinued, 2. Number now in use, 1,295.

SERVICES

Kind of pipe, Lead, Cement lined galvanized and Copper tubing.

Sizes, From three-quarter inch to six inch.

Total now in use, 14 miles, 4,845 feet.

Service taps added, 71. Discontinued, None.

Total now in use, 4,995.

Average length of service, 20 feet.

Average cost per service, \$78.00.

Meters added, 58.

Number now in use, 3,973.

Percentage of services metered, 79.5%.

ANNUAL REPORT
OF THE
Town Accountant
OF THE
Town of Plymouth
MASSACHUSETTS

FOR THE YEAR ENDING
DECEMBER 31

1961

Former Town Accountants:

RICHARD T. ELDRIDGE	1912 - 1918
ELMER R. HARLOW	1918 - 1944

FIFTIETH ANNUAL REPORT OF THE TOWN ACCOUNTANT

For the year ending December 31, 1961

To the Board of Selectmen

Town of Plymouth

Gentlemen:

I submit herewith report of the financial transactions of the Town of Plymouth for the year ending December 31, 1961.

Since there are several municipal finance terms which are constantly being misinterpreted, it seems advisable to try to clarify those most commonly misused.

1. Excess and Deficiency (E&D) or Surplus Revenue.

While Excess and Deficiency is the more common phrase, Surplus Revenue is the only term used in statutes. It represents the amount by which the Cash, Accounts Receivable and other floating assets exceed the liabilities and reserves.

2. Free Cash.

Free Cash and Available Funds are often used interchangeably. However, since there are other funds which may be available for appropriation under certain circumstances, the use of the term Available Funds can be confusing. Free Cash represents the amount of Excess and Deficiency (Surplus Revenue) reduced by the amount of uncollected taxes of prior years.

For example, referring to Schedule F, Dec. 31, 1961
Balance Sheet:

Excess and Deficiency	\$905,659.83
-----------------------	--------------

Uncollected taxes:

1959	\$4,006.08	
1960	20,880.35	
1961	186,361.43	
	<hr/>	211,247.86

Free Cash for 1962	\$694,411.97
--------------------	--------------

A careful scrutiny of Schedules C, D and E will show that the excess of actual receipts over Estimated Receipts and the unexpended appropriation balances, returned to Excess and Deficiency, are the two main factors that increase the amount of Free Cash. Appropriations from Free Cash are obviously the main factor in reducing the account.

The theory that the appropriation of money from Free Cash does not affect the tax rate is a fallacy. Without a standard formula for the use of Free Cash, the town cannot maintain a stable tax structure. Plymouth's practice of appropriating not more than one-half of its Free Cash at the annual town meeting (\$75,000 of which, for the past few years, has been allocated to the Stabilization Fund) has kept the Town in a very sound financial condition.

3. Stabilization Fund.

Chapter 40, Section 5B, of the General Laws authorizes towns to set aside funds for capital outlays and to invest these funds so that they will earn interest until appropriated. Plymouth voted to establish such a Stabilization Fund in 1947 and has added to it quite consistently.

Appropriations to the fund 1947 - 1961 \$450,000.00

Appropriations from the fund	105,000.00
	<hr/>
	\$345,000.00
Accrued Interest	73,362.67
	<hr/>
Balance December 31, 1961	\$418,362.67

It is readily apparent that the interest from such funds can be substantial, if allowed to accumulate, and that the funds, when used, obviate the necessity of borrowing and the payment of substantial amounts of interest. (The interest to be paid on \$100,000, borrowed by the Town at $2\frac{1}{2}\%$, would amount to \$13,750 over a 10-year period or \$26,250 over a 20-year period.)

Until such time as our ever-present problem of sewage disposal has been solved, the Town should weigh very carefully the advantages of the use of any of the Stabilization Fund for other purposes against the benefits to be derived from saving and increasing this fund for use toward the cost of a sewerage disposal plant.

There were no authorized overdrafts in 1961. The following unpaid bills were, however, reported to this office:

Joseph V. Horton, Fire Dept.	\$63.69
Edward W. Bradford, Police Dept.	194.50
Boston Social Service Exchange,	
Public Assistance	23.25

The several schedules are in the following order:

Schedule A. Cash Receipts and Cash Payments as reported to the Bureau of Accounts of the Commonwealth.

Schedule B. Department and all special appropriations and such receipts, including federal grants, as may be legally expended without specific town meeting appropriation, with all payments from same classified as to purpose.

Schedule C. Estimated Receipts, other than from local taxes, as used by the Assessors in setting the 1961 tax rate. The schedule also shows the actual cash receipts from the same sources.

Schedule D. Revenue Account for 1961.

Schedule E. Excess and Deficiency Account.

Schedule F. Balance Sheet, December 31, 1961.

Schedule G. and H. Bonded Indebtedness, January 1, 1962.

Schedule I. List of Trust Funds and Town Investments as of December 31, 1961.

Schedule J. Calculation of the Town's borrowing capacity as of January 1, 1962.

Respectfully submitted,

CORA B. GRADY
Town Accountant

ANNUAL REPORT
OF THE
Board of Selectmen
OF THE
Town of Plymouth
MASSACHUSETTS

FOR THE YEAR ENDING
DECEMBER 31

1961

ANNUAL REPORT OF THE BOARD OF SELECTMEN

The Selectmen held numerous hearings on local matters such as street layouts, liquor violations, pole locations, etc., and we believe each instance was handled in the best interest of the town.

The program of street surfacing has continued at a good rate of speed and with continued appropriations from the town, the project will continue to be a success. A look at other towns in the area or State will find Plymouth second to none when you consider the area and mileage we are concerned with.

The project of having our Highway Department have larger and heavier equipment will be completed if our requests are voted at the 1962 town meeting. We are asking for our last small truck to be traded for a heavier truck, another automatic sand spreader, a new compressor and another snow loader. If these requests or the majority are voted, we indeed will be in a very good position.

Our shore protection projects are still lagging somewhat and although very little information is available, we believe that this is due to the investigations going on and as soon as these problems are settled, we should see the projects begin to materialize.

The financial status of the Town as relates to our borrowing capacity is good and our Excess and Deficiency and Free Cash status are also in excellent standing.

The Board has worked hard in its efforts to discharge the obligations of the Board and is appreciative of the cooperation given by other departments.

Respectfully submitted,

FRANCIS P. SHEA, Chairman
JAMES T. FRAZIER
SUMNER A. CHAPMAN, JR.
WILLIAM H. BARRETT
GEORGE E. RANDALL

TOWN FOREST COMMITTEE

To the Honorable Board of Selectmen:

During 1961, 5,500 seedlings were planted where trees were lost. Trees lost during the last hurricane were salvaged for lumber and sold to a sawmill, for which \$128.48 was received and turned over to the Town Clerk.

All fire lanes were harrowed and trimmed out and brush was burned.

5,000 seedlings were bought in the fall for spring planting.

Respectfully submitted,

DANIEL L. HOLMES
JAMES A. WHITE, Secretary
HAROLD G. ROBERTS

Town Forest Committee

REPORT OF COMMITTEE ON INLAND FISHERIES

To the Honorable Board of Selectmen
Plymouth, Massachusetts

Gentlemen:

Your committee wishes to report that the appropriation for the year 1961 was expended for 7 and 8 inch brook trout which were liberated in Little Pond and Lout Pond.

Efforts to obtain white perch and yellow perch were unsuccessful this year.

Long Pond, Fresh Pond, Little Pond, and Lout Pond were stocked with trout by the Division of Fisheries and Game Department.

We request that the sum of three hundred and five dollars (\$305.00) be appropriated for our use in 1962.

Respectfully,

DONALD O. TRACY, Chairman
CHARLES T. SEIFERT
MARTIN B. PERSON, JR.

REPORT OF THE TOWN ENGINEER

February 3, 1962

To the Honorable Board of Selectmen:

During 1961, layout plans were made for Woodvale Ave., Christopher Rd., Extension of Dwight Ave., Extension of Bunker Hill Rd., Bartlett Rd., West Pond Rd., alteration at corner of Alden St. and Standish Ave., Rodman Lane, Grand View Drive, and alteration at corner of Spooner St. and North Spooner St. These layouts were accepted by the Town in 1961.

Layout plans were also made for Thrush Ave., Cheryl Ave., Abington Ave., and Oak Ridge Rd., but these layouts were not accepted by the Town.

Surveys were made of Black Cat Rd. and Micajah Pond Rd. preparatory to the layout out of these roads in the near future.

A survey and plan were made for land adjacent to the Post-Office.

The file and index of street layout plans in the Town Clerk's Office were brought up to date.

A survey was made of Colony Beach Boulevard in Manomet.

A total of 93 permanent concrete bounds were set under the supervision of the Town Engineer as follows: Bartlett Rd., 38 bounds; West Pond Rd., 18 bounds; Rodman Lane, 14 bounds; Spooner St., 6 bounds; extension of Dwight Ave., 7 bounds; extension of Bunker Hill Rd., 6 bounds; Woodvale Ave., 2 bounds; Christopher Rd., 2 bounds.

Respectfully submitted,

EDWARD CHASE

Town Engineer

OFFICE OF VETERANS' SERVICES

February 5, 1962

To the Honorable Board of Selectmen
Plymouth, Massachusetts

Gentlemen:

The following is the report of the Veterans' Services Department for the year 1961.

The expenditure of relief funds was surprisingly high this year due to the overwhelming number of veterans' dependents requiring hospitalization, medical attention and medication. Another important factor contributing to the increased expenditure was the large number of unemployed veterans.

A breakdown of services is as follows:

Veterans' Benefits	1053
Pension Questionnaires	76
Bonus Applications	3
Civil Service	16
Discharges Recorded	62
Employment	78
Housing	12
Information (Miscellaneous)	2962

Respectfully submitted,

RALPH A. TORRANCE

Director

REPORT OF INSECT PEST CONTROL

To the Honorable Board of Selectmen:

As I was appointed to fill the vacancy left by the death of John A. Kennedy, I can't give a full year's report.

Eight trees were sampled for Dutch Elm Disease and seven were positive and one was negative. The positive trees were removed.

Respectfully submitted,

DANIEL L. HOLMES

Superintendent Insect Pest Control

ANNUAL REPORT OF PLYMOUTH AIRPORT COMMISSION

The annual report of the Plymouth Airport Commission is submitted herewith.

The increased use of the facilities indicates a greater volume of air traffic to our Town.

By negotiation and the rearrangement of building space, the New England Aero Service, Inc., was induced to locate at the airport. This corporation makes available to aviation, complete facilities for minor and major overhaul of aircraft in this region as well as ground and flight training.

To accommodate this corporation, minor changes were made in the hangar area of the main building for occupancy on September 1st. Since then this company has been operating to capacity daily.

To provide storage space and office for the helicopter division of the Wiggins Airways, it was necessary to construct an additional building adjacent to the main hangar and of sufficient size to provide cover for the airport crash truck, tractor mowing equipment and other field equipment belonging to the Plymouth Airport.

Office space was created on the second floor of the main building to accommodate the Pilgrim Aviation Co., Inc., which took occupancy in October. This corporation is making available complete facilities for flight instructions, charter, ground school and sales of aircraft. In addition to the rental of office space, additional income is derived from the storage and servicing of aircraft by this company.

In addition to the above organizations doing business at the Plymouth Airport, the South Shore Aviation Co.,

Inc., as tenants, continue to make available their facilities for minor and major overhaul of aircraft.

The foregoing additions to the Airport has considerably increased the air traffic, thereby increasing the revenue for the storage and servicing of aircraft.

The taxi-way surface was completed this year and approved and accepted by the authorities concerned.

It is evident by the growth and increased activities at the Plymouth Airport, that additional storage space is already in demand.

It is desirable that private enterprise will take advantage of this opportunity to meet such needs and thereby keep abreast of the continuing growth.

The Airport Commission foresees, in the near future, a substantial increase in activity and revenue at the airport, this being substantiated by the fact that the Federal Agency has already approved the extension of the main run-way to accommodate larger and faster aircraft.

As the result of a recent Federal State inspection, the aviation facilities at the Plymouth Municipal Airport have been declared excellent.

Respectfully submitted,

JAMES T. FRAZIER, Chairman
SUMNER A. CHAPMAN, JR.
WILLIAM H. BARRETT
JOHN PETRELL, JR.
DOUGLAS H. ARMSTRONG

Plymouth Airport Commission

REPORT OF SUPERINTENDENT OF STREETS

To the Honorable Board of Selectmen

Gentlemen:

I herewith submit a report of the work done in the Street and Sewer Departments from January 1 to December 31, 1961:

SEWERS

Approximately six miles of our main sewers were dragged, removing tree roots, debris and hard grease from house services. Manholes were repaired and cleaned with new frames and covers replaced where needed. A new sewer extension was installed on Knapp Terrace from present manhole east a distance of 110 feet of 8" clay pipe. Twenty-three new house services have been added to the main sewer system. A flexible power drive sewer machine was purchased for cutting tree roots in main sewers.

STREET CLEANING

The Elgin Motor Pickup sweeper cleaned one thousand six hundred thirty-eight curb miles from April to November. The main street from Jabez Corner to Seaside Line is swept each day including the waterfront from Main St. Ext. to Town Wharf. The side streets in town and the north end are swept every other day.

ASPHALT SIDEWALKS

The maintenance and construction of asphalt sidewalks were completed on the following streets: Forest Ave., Allerton St., Spooner St., corner Court and Castle Sts., Sandwich St., at Jordan Terrace, Sandwich St., Nelson St., Cherry St., High St., Newfield St., Castle St., Standish Ave., Cherry Court, Court St. at Cold Spring, Bradford St., Cordage Terrace and Middle St. Approxi-

mately 300 tons of blacktop was laid on these sidewalks. Necessary repairs were made on sidewalk surfaces where tree roots and stumps were removed.

DRAINS

Permission was granted from Aldo Forniciari for the Highway Department to install a surface water drain across his property on Route #44. Approximately 400 feet of 12" concrete pipe with one catch-basin was laid to correct surface water collecting at this location. On the south side of Route #44, starting at the property of Donald Govoni, going west to the property of Alvin R. Tavares, a distance of 800 feet of 12" concrete pipe and two standard catchbasins were installed to correct the drainage water running onto the property of George A. Holmes. Permission was obtained from Alvin R. Tavares to drain this surface water onto his property. The drain from McKinley Road was extended 150 feet of 12" perforated pipe and one catchbasin installed across the Plimouth Plaza property to the swamp in the rear. Permission was given by Anthony V. Pioppi to go across his property for drainage installation caused from the filling and grading of the Plaza property. A drain was installed at the entrance of Wellingsley Ave., across Sandwich St. to Cornish's Meadow, consisting of two catchbasins, 30 feet of 12" concrete pipe and 100 feet of 15" reinforced concrete pipe to prevent further flooding conditions at the property of Angelo Barbieri. At the South St. playground, 50 feet of 12" concrete pipe and one catchbasin was laid to relieve the water condition at the west end of the playground.

At the rear of Victoria's Grocery Store on Standish Ave., a hole was dug 22'x22'x15' deep, all surplus dirt was removed and filled in with crushed stone to act as a leaching basin. A stone berm 12" high was placed around the leach basin for clean seepage. This leach basin now takes care of surface water coming from Oceanview Ave.

to the parking lot of Victoria Grocery Store. Contract work was completed by Malaguti Bros.

FENCES

The old wooden guard rail fences on the north side of Allerton St., north side of Clifford Road, south side of Forest Avenue and south side of Hall St. were removed and replaced with 4-foot high chain link fence furnished and installed by the Nilsson-Stewart Fence Construction Co. of Brockton, Mass. Several cement posts made by the department were set as barriers along the shoulders of roads to prevent accidents in town, Manomet and Cedarville.

HIGHWAY CONSTRUCTION AND RECONSTRUCTION

The following streets were paved with a 3" Type I mix over the old road surface consisting of a 2" base and a 1" top: Cherry St. Court, Billington St., Bradford St., Wood St., River St., Manomet Ave., Birch Ave., Sandwich Road, Karle Place and Mayflower St. The following streets were resurfaced with a mixed in place top of gravel and asphalt 3" in thickness: Two miles of Bourne Road, Royal St., Sandwich Road and Pearl St. A seal coat of $\frac{1}{4}$ gallons asphalt per sq. yd. and covered with sand was applied to the following roads: John Alden Road, Boot Pond Road and Long Pond Road.

CHAPTER 90 CONSTRUCTION

The State awarded to The Wamsutta Construction Company of Fairhaven, Massachusetts the contract for improving White Horse Road from Rocky Hill Road to Taylor Avenue. Work completed included drainage, cement curbing, asphalt sidewalks and new roadbed of Type I mix. Milton Contracting Corporation of Hyde Park was awarded the contract by the State of rebuilding Beaver Dam Road from State Highway to the property of James McNary. Work completed by this contractor in-

cluded drainage, widening of road from 20 feet to 30 feet with a 4" stone penetration base covered with a Type I top. Slopes were graded and loamed with the seeding to be done in the spring of 1962. A second contract will be awarded in the spring of 1962 for the continuation of Beaver Dam Road improvement.

CHAPTER 90 MAINTENANCE

Approximately 500 tons of Class I Bituminous Concrete Pavement Type ST Dense mix was laid on Court St. from Samoset St. to North St. Another section of this same type of material was laid on Sandwich St. from Bradford St. to South St. This surface was constructed in one course $\frac{3}{4}$ " in depth. Work also included raising manholes, catchbasins, water boxes and gas boxes. Campanella & Cardi Const. Co. of Sandwich, Mass., received the contract for laying the new road surface. Approximately 500 tons of Type I was laid on Samoset St. from the By-Pass west, a distance of 3,000 feet. The road was widened from 20 feet to 24 feet, shoulders graded and gravelled. Warren Bros. Road Company of New Bedford was awarded the contract for the Type I surface on Samoset St. South Meadow Road was sealed with $\frac{1}{4}$ gallon asphalt and sand from Federal Furnace Road to Carver line.

GRANOLITHIC SIDEWALK AND CURBING

On the west side of Spooner St., 337 feet of new curbing was laid for the construction of a new blacktop sidewalk. On the east side of Gould Road, 677 feet of curbing was laid for a new blacktop sidewalk in the spring of 1962. On the west side of Court St. in North Plymouth, 126 feet of curbing was laid south of the Puritan Garage to replace grass and loam shoulders. Maintenance on several cement slabs were given attention in repairs from settlements and raised by tree roots.

TRAFFIC AND STREET MARKING

White traffic lines and crosswalks were painted in the spring and fall with an additional four miles of traffic lines painted on Rocky Hill Road. Taxi stands and restricted areas were painted yellow. The Highway Dept. paint shop straightened and repainted traffic signs. Children signs, stop signs and signs for restricted areas were erected when requested.

MISCELLANEOUS

A new truck-mounted jet sandspreader with a five yard body was purchased in 1961 and has proven very satisfactory to the department. I am recommending in my budget the purchase of one more of these sandspreaders. A tractor loader and backhoe combination has been added to the department's equipment this year. This piece of equipment is for use of all departments of the Town, and under the jurisdiction of the Highway Department.

A new 1961 GMC dump truck with a four yard body replaces the 1954 Dodge dump truck turned in as part payment.

A reconditioned snowloader on wheels has been added to the snow removal equipment.

Two new nine foot blade plows were acquired this year.

The several northeast storms of this year required the department to hire heavy equipment for Eel River and Bartlett Brook to be cleared of sand and stones washed in from the high tides. Center Hill Beach was washed in from high tides and a hired bulldozer was used to repair the damages.

The Highway Department was the recipient of 12 litter baskets from the Jaycees in Plymouth. Four of these litter baskets are now in use with the remaining

eight to be set up in the early summer in the north section of the town and the center of Plymouth.

The work in the Manomet, Long Pond and Cedarville sections has been carried out satisfactorily by the district foremen. The cutting and burning of brush, gravelling, widening of bad corners, snow and ice removal, scraping of dirt roads and applications of calcium chloride to lay the dust, were all given proper attention.

The requests from the Selectmen's Office and other town departments were given special attention.

Newly accepted roads by the town have been bounded by the Town Engineer with the bounds made by the Highway Department.

Lines and grades for street and sewer work have been supplied by the Town Engineer, Edward Chase, and records of same filed at his office on Lincoln Street.

Respectfully submitted,

ELMER C. CHANDLER

Supt. of Streets and Sewers

LIST OF JURORS

Prepared by the Selectmen of Plymouth, Mass.,
for 1962-1963

—A—

Arons, Samuel, 193 Court Street, Wholesaler, Samuel Arons & Son, Plymouth, self-employed.

—B—

Bagni, Peter, 1 Spooner Street, Truck Driver, Plymouth Cordage Co., Plymouth, Mass.

Baker, Robert B., 30 Centennial Street, Bank Teller, Plymouth Federal Savings & Loan Association, Plymouth.

Balboni, Clyde, 18 Forest Avenue, Bakery Proprietor, self-employed.

Barbieri, Leonard J., 323 Court Street, Grocery Clerk, Angelo Barbieri, 233 Sandwich Street, Plymouth.

Barrett, William H., 1 Cushman Street, Assessor of Taxes, Town of Plymouth, Mass.

Bartlett, Ephraim L., 35 Russell Street, Carpenter Foreman, Plymouth Cordage Co., Plymouth.

Bartelli, Adams W., 20 Highland Place, Accountant, A. L. Ellis, Inc., Plymouth and Elmer E. Avery Insurance Agency, Plymouth.

Bent, Richard W., 14 Hall Street, Land Surveyor, self-employed.

Billey, Peter R., 8 Holmes Terrace, Chief Engineer, Plymouth Cordage Co., Plymouth.

Borgatti, Edward D., 60 Alden Street, Bank Teller, Plymouth National Bank, Plymouth.

Bradbury, Lauris J., 343 Sandwich Street, Supt. of Transmission & Distribution, Plymouth County Electric Co., Plymouth.

Brewster, Benjamin B., 88 Warren Avenue, Factory Manager, Avon Sole Co., Avon, Mass.

- Brink, Mildred T., 37 Vernon Street, Housewife; Husband's occupatoin, Supt. Plymouth Water Department, Plymouth.
- Brown, Wilfred J., 66 Allerton Street, Retired; Former occupation, President Consolidated Railroads of Cuba and Affiliated Companies, New York, N. Y.
- Bumpus, Alta M., 14 Jefferson Street, Library Assistant, Plymouth Public Library, Plymouth.
- Burgess, Earle F., 19 Nelson Street, Retired; Former occupation, Testman, N. E. Telephone & Telegraph Co., Plymouth.
- Busi, Henry J., 8 Gray Avenue, Furniture Store Owner and Manager, 40 Court Street, Plymouth, self-employed.

—C—

- Cabral, Manuel, 30 Nick's Rock Road, Truck Driver, N. E. Telephone & Telegraph Co., Plymouth.

tate Dealer, Cape Village Realty, Cedarville, self-
employed.

REPORT OF HARBOR MASTER

To the Honorable Board of Selectmen:

The 1961 boating season was good. It was the first time in years that boats were turned away due to limited facilities. The large mooring basin for inboards is now filled to capacity.

Again the dragger fleet had a poor season. The party boat fleet had an average season because of weather conditions.

Visiting boats are still on an increase due to the popularity in boating.

A Harbor Committee was formed and through their efforts some new regulations will be in effect this next year. It will be beneficial to the boating public as well as to the Town.

Respectfully submitted,

DONALD L. McDONALD

Harbor Master

PLYMOUTH COMMUNITY NURSE ASSOCIATION

January 29, 1962

To the Selectmen
Town of Plymouth:

We are submitting a report of the Plymouth Community Nurse Association for the period between October 1960 through December 1961. In former years, our fiscal year ran from October through September. In October 1960, the Board of Directors voted to adopt the calendar year, effective January 1, 1961.

During this fifteen month period, a total of 7,786 visits were made to patients in Plymouth and Kingston. Of this number, 1,089 visits were made on behalf of the Plymouth Health Department.

Thirteen Chest X-ray clinics were held at the Jordan Hospital with a total of 563 patients X-rayed and examined.

Thirteen Immunization clinics were held during the year. A total of 499 injections against Diphtheria, Tetanus and Whooping Cough were given by Dr. Frank J. Abate, Board of Health physician.

Two Polio clinics were held during the early summer. 812 patients were injected with Polio vaccine at these two clinics.

Thirty Well Child Conferences were held during this fifteen month period with a total of 763 visits recorded. Dr. C. James Gormley has continued as our Well Child Conference pediatrician.

The nurses have continued to attend conferences and classes throughout the year. These enable us to keep abreast of current nursing information and help us to improve our nursing service.

In June, due to increased operating costs, it was voted by the Board of Directors to increase our fee per visit, which became effective July 1st.

Mrs. Jane Small, R.N., furnished vacation relief this year and Mrs. Ethel Groetzinger, R.N., has continued as our part-time nurse. Mrs. Christine Darsch, L.P.N., has assisted us in giving baths to our chronically ill patients.

In summary, we are happy to tell you that our Board of Health program shows a steady growth, with good prospects for increased service during the coming year.

Our bedside nursing case load remains fairly stable, with perhaps, a slight increase over last year's figure.

I would like to take this opportunity to extend my sincere thanks to the staff, the directors and to the members and friends of this organization, for the help and encouragement extended to me during the past year.

Respectfully submitted,

MRS. MARIAN A. CORCORAN, R.N.

Supervisor

PLYMOUTH PUBLIC LIBRARIES

DIRECTORS

Dr. Charles C. Forman, President

Gen. John K. Christmas, Vice-President

Miss Sara C. Bodell, Clerk

Mr. Walder J. Engstrom, Treasurer

Mrs. Edward R. Belcher

Mrs. Roland Holmes

Mrs. Robert Browning

Mr. Edgar J. Mongan

Mrs. Edward W. Burgess

Dr. H. K. Olmsted

Mr. David Crawley

Mr. Martin Person, Jr.

Mrs. Arthur Pyle

Your libraries are working, as always, to provide the kind of services which will satisfy more and more people. Having the Lord Room, devoted to Plymouth history and genealogy, we were ready and happy to provide some of the materials suggested for study in the course on "Plymouth Colony in the Seventeenth Century," cooperatively arranged and given by Plymouth School Department and Plimoth Plantation.

Each year there are two weeks especially devoted to library promotion. In November the emphasis during book week is on books for children. National Library Week in April gives us a chance to remind you by radio, TV and movies that books are a form of communication also.

Many people have enjoyed our monthly exhibits of paintings and other forms of art. We thank the exhibitors and the committee.

This year we began lending reproductions of paintings in both modern and classical styles, by famous artists. As the collection increases in size we will hope to illustrate the principal periods in the history of painting. Suggestions and requests are welcome.

Have you seen our new quarterly library newsletter? Volunteers from the Library Corporation, with the leadership of Mr. Martin Person, Jr., who acts as editor, have written book reviews and selected library news. Free copies may be obtained at the library and you may have your name added to the mailing list.

Corporation funds were used to repaint The Lindens annex to harmonize with the brick of the original building. A new, attractive sign was installed on the lawn. Devoted ladies under the co-chairmanship of Mrs. William Brewster and Mrs. Roland Holmes conducted the annual book sale.

After working for several years to develop an acceptable law, the Legislature passed Chapter 760, State Aid for Public Libraries. We had hoped that the money assigned to Plymouth would be added to our budget, but we did not have that good fortune. The money could be used for the purchase of additional books.

Personnel:

Our former student page, Peter Gomes, graduated and has gone on to Bates College. Now in training are Misses Paula Roessel in the adult department and Joanne Rougeau in the boys' and girls' room. Mrs. Francis Savery has returned to help us part time.

Book review programs were given for several organizations. The staff continues professional improvement by attending meetings of the Old Colony Library Club, the Massachusetts Library Association, New England Library Association and the Children's Round Table. A course of five lectures given at Brockton Public Library on selecting books and arranging activities for young adults proved very helpful. The Librarian was honored to serve on the nominating committee for the Old Colony Library Club.

Ann Appleton's Children's Room:

Miss Grace Haigh offers assistance to the schools through school visits twice a year to publicize the new books, and the loan of books to be used by the children in their home rooms.

Loring Branch:

The children of North Plymouth still are enthusiastic about reading. Many come to the reading room to use the reference books in connection with their school assignments. Adults, on the other hand, are reading less as you will note by the registration and circulation statistics which follow:

STATISTICS

Third Annual Report — 1961
PLYMOUTH REDEVELOPMENT AUTHORITY

January 11, 1962

The Plymouth Redevelopment Authority, realizing the objectives voted at Town Meeting in 1958, has progressed to the point where Part I of the Application for the Loan and Grant was submitted to the Housing and Home Finance Agency for approval on November 6, 1961.

The events which have been accomplished by this Authority during the year of 1961 are:

The Program for Community Improvements (Workable Program) was recertified by HHFA on February 1, 1961, thus making available Federal aids in the furtherance of urban renewal to the Town of Plymouth.

Mr. William B. Edmands was re-elected as a member of the Authority for a five (5) year term.

At the Town Meeting held in March, 1961, Mr. Ralph L. Drew, Chairman of the Authority, explained the Warrant and asked passage of a Fire Prevention Code for the Town. The Fire Code was voted by the Town and subsequently approved by the Attorney General on August 23, 1961.

Mr. John P. Ryan was engaged as Legal Counsel for the Authority.

Mr. Edward B. Maccaferri was appointed a member of the Authority on May 10, 1961, replacing Mr. Howard P. Barnes who resigned as a member of the Authority.

The Authority, at its annual meeting held on May 1, 1961, elected the following members to hold offices as shown until the next Annual Meeting:

Ralph L. Drew, Chairman
William B. Edmands, Vice Chairman
Clifford E. Sampson, Secretary
Russell T. Fry, Treasurer

Mr. Louis H. Ressijac was employed as Executive Director by the Authority in August 1961.

The Summer-High Street Urban Renewal Project, Mass. R-26 has caused many surveys, plans and reports to have been rendered in the course of the year. The Planning and Renewal Associates, Cambridge, Massachusetts, Planning Consultants to the Authority, completed Part I of the Loan and Grant Application. Their final plans were submitted to the Authority for approval early in November of 1961.

The Authority unanimously approved Part I and forwarded it to HHFA for their approval on November 6, 1961.

The members of the Authority have been diligent, energetic, enthusiastic and devoted in the performance of their duties as members of the Authority.

Throughout the year, the Authority has met with the various boards, committees, and the Board of Selectmen of the Town to keep them familiar with the progress of the Summer-High Street Project. In September 1961, a Public Hearing was held at the Town Office Building for the tenants, land owners, and business proprietors in the project area to acquaint them with the plans for redevelopment in the Summer-High Street Area.

Of the \$10,000 which was appropriated by the Town of Plymouth to defray the costs of administrative expenses, there has been expended \$2,814.97, leaving a balance of \$7,185.03.

It is the Authority's earnest hope and desire that 1962 will find the Summer-High Street Urban Renewal Project approved by the Town and actual work started in the project area.

Respectfully submitted,

RALPH L. DREW, Chairman
WILLIAM B. EDMANDS, Vice Chairman
CLIFFORD E. SAMPSON, Secretary
RUSSELL T. FRY, Treasurer
EDWARD B. MACCAFERRI, Asst. Treas.

REPORT OF THE BOARD OF PUBLIC WELFARE

The members of the Board of Public Welfare on January 1, 1961 were Margaret E. McLean, Chairman; Dexter M. Brooks, John J. Magee, Francis H. Murphy and Paul Withington.

At the March 1961 Annual Town Election, John J. Magee, Francis H. Murphy and Paul Withington were re-elected.

At the organization meeting of the Board of Public Welfare held following the Town Election, Francis H. Murphy was elected Chairman of the Board of Public Welfare and Allen B. Wood was appointed Secretary of the Board of Public Welfare.

Allen B. Wood was provisionally appointed Director of Public Assistance on January 1, 1961, pending establishment of a Civil Service list, and on December 27, 1961 was permanently appointed from the Civil Service list.

The 1961 appropriation for Public Assistance was \$514,000.00. The total cost of Public Assistance in 1961 was \$801,869.74. Federal Grants totalled \$363,383.31, leaving \$438,486.43 to be spent from the Town's appropriation. The share of the Commonwealth of Massachusetts will be approximately \$265,056.15.

The 1961 appropriation for salaries and administration was \$23,560.00. The total cost of salaries and administration was \$38,937.89. Federal Grants totalled \$16,348.14, leaving \$22,489.75 to be spent from the Town's appropriation. The share of the Commonwealth of Massachusetts will be approximately \$8,210.90.

It should be pointed out that Federal Grants are advanced and are available to be used in addition to the Town's appropriation but the share of the Commonwealth

of Massachusetts is paid as a reimbursement for expenditures from the appropriation and goes into the Town Treasury as revenue.

A total of \$33,547.94 was recovered on Old Age Assistance real estate liens during the year. This was the result of a special effort to clear up a number of old outstanding liens.

OLD AGE ASSISTANCE

The year opened with 349 cases being aided in the category of Old Age Assistance. The case load dropped during the year and the year closed with 311 cases receiving aid. The total expenditures for Old Age Assistance in 1961 were \$380,268.09. Federal Grants of \$191,598.16 were available, leaving \$188,669.93 to be expended from the Town's appropriation. The share of the Commonwealth of Massachusetts will be approximately \$129,247.49 and approximately \$4,255.63 will be received from other cities and towns.

MEDICAL ASSISTANCE FOR THE AGED

The year opened with 54 cases receiving Medical Assistance for the Aged and the case load gradually rose during the year. The year closed with 67 cases receiving aid. The total expenditures for Medical Assistance for the Aged were \$149,776.81. Federal Grants of \$82,306.70 were available, leaving \$67,470.11 to be expended from the Town's appropriation. The share of the Commonwealth of Massachusetts will be approximately \$52,001.24.

AID TO DEPENDENT CHILDREN

The year opened with 71 cases consisting of 50 parents and 153 children receiving Aid to Dependent Children. The case load rose steadily during the year and the year closed with 95 cases consisting of 69 parents and 209 children receiving aid. The total expenditures for Aid to Dependent Children were \$142,662.37. Federal Grants of \$62,554.82 were available, leaving \$80,107.55 to be ex-

pended from the Town's appropriation. The share of the Commonwealth of Massachusetts will be approximately \$47,074.60. During 1961 there were two changes in the law relating to Aid to Dependent Children. One change abolished the waiting period which had been required before certain cases became eligible. The other change made certain families, which were in need because of unemployment, eligible for Aid to Dependent Children.

DISABILITY ASSISTANCE

The year opened with 49 cases receiving Disability Assistance and closed with 54 cases receiving aid. The total expenditure for Disability Assistance was \$77,480.77. Federal Grants of \$26,923.63 were available, leaving \$50,557.14 to be expended from the Town's appropriation. The share of the Commonwealth of Massachusetts will be approximately \$31,367.97.

GENERAL RELIEF

The year opened with 66 cases consisting of 200 persons receiving General Relief. The peak load came in February when 77 cases consisting of 218 persons were aided. The case load decreased to a low of 44 cases consisting of 96 persons in September. The year closed with 60 cases composed of 180 persons receiving assistance. Expenditures in the category of General Relief totalled \$51,681.70. Approximately \$5,622.21 will be received from other cities and towns and approximately \$5,364.85 will be received from the Commonwealth of Massachusetts for aid granted to persons not having a settlement in Plymouth.

Respectfully submitted,

FRANCIS H. MURPHY, Chairman

MARGARET E. McLEAN

Board of Public Welfare

ANNUAL REPORT OF THE CEMETERY COMMISSIONERS

For the year ending December 31, 1961
To the Honorable Board of Selectmen:

In addition to the regular general care and maintenance of our several cemeteries we wish to call attention to the following items.

At the Oak Grove and Vine Hills Cemeteries a new surface of $1\frac{1}{4}$ inches of black top was applied from the Police Department Memorial Lot southerly to both of the gates on Summer Street. This puts the main roads in these cemeteries in very good condition with the exception of Walnut Avenue, which we plan to resurface this year, and Poplar Avenue which should be paved because it connects with the new road from the Addition.

The new entrance road in the Addition to Vine Hills Cemetery was graded, a base of gravel laid and rolled and black top applied. This road connects the original cemetery to the new gate on Samoset Street, opposite Royal Street. We were also able to extend two of the roads in the original section to join this new road. Also the fence on the southwesterly side was installed for a distance of 596 lineal feet. In addition we had available 200 feet of fence removed from the southwesterly boundary of the original cemetery and this was installed from the south corner extending in an easterly direction. This pretty well fences in as much of the Addition as it is possible to do at the present time.

In the Manomet Cemetery a dry well was installed to take care of surface water which in the past has formed a large "pool" just about in the center of the developed part. This year we plan to surface this section of the road to the lower gate on White Horse Road, and in so

doing eliminate a very muddy section of the road which under some conditions has been impassable.

At the Chiltonville Cemetery the road on the southerly side was surfaced and carried along to connect with work done last year; we also resurfaced the easterly side of the slope of the entrance road. It is planned to install a dry well this year in the only section of this cemetery where we are having drainage problems.

The receipts and payments of the Department are listed in Schedule "A" and "B" of the Town Accountant's Report.

Respectfully submitted,

F. WILLARD DITTMAR, Chairman
GEORGE E. RANDALL
EARLE F. BURGESS
Board of Cemetery Commissioners
AUSTIN S. FRATUS, Superintendent

REPORT OF THE TREE WARDEN

To the Honorable Board of Selectmen:

As you know, I was appointed October 4, 1961 to fill the vacancy of Tree Warden left by the death of John A. Kennedy, so I cannot give a full report for the year.

Some 32 trees were planted. Four trees were topped to make them safe for the winter. Pruning was also done.

The old 300 gallon sprayer was replaced with a new 400 gallon sprayer.

Respectfully submitted,

DANIEL L. HOLMES

Tree Warden

ANNUAL REPORT OF THE PLANNING BOARD

The duly elected Planning Board continued to function during the calendar year of 1961 in accordance with the vote of the Town, passed March 26, 1949.

The Board held its regular meetings on the first and third Mondays of the month throughout the year and also many special meetings.

Three plans for subdivision of land into a total of 75 lots were signed by the Board during the year. Five plans with a total of 351 lots were still pending as of January 1, 1962. In addition, 36 plans involving 50 lots were submitted under the classification "Approval not Required" and were endorsed.

The "Rules and Regulations Governing the Subdivision of Land, Plymouth, Massachusetts", which was initiated by the Board last year and became effective the 9th day of June 1960, have proved to be very beneficial to the Town. In addition to the previous requirements these new regulations now make it necessary for all roadways to be surface treated, bounds placed at all angle points and at the beginning and end of all curves, and all slopes loamed and seeded. These provisions will reduce the cost to the Town when these streets are accepted as Town ways and will make all subdivisions more attractive.

The revised Zoning By-Law was approved at the March 25, 1961 Town Meeting and was approved as an amendment to the original (1951) Zoning By-Law by the Attorney General on July 6, 1961. This brought to a satisfactory conclusion a project started by a vote of the Town in 1956. The Planning Board at this time wishes to express its appreciation to all the Town Boards and Committees for their assistance in this project, and a special vote of gratitude to the Study Committee for their special effort.

The Planning Board has had copies of the new By-Law, including the Zoning Maps, printed for distribution throughout the Town. These copies are available at no charge and may be obtained at the Office of the Town Clerk or the Office of the Board of Selectmen.

Additional requirements by the Federal Government have made it necessary to incorporate supplementary information into the Plymouth Compact as revised to 1961. This work was completed by the firm of Whitman & Howard, Inc. and includes Land Use, Thoroughfares and Facilities Maps; and information on Traffic Circulation and Recreational Areas. Work on the Capital Improvements Program was continued and will be made available in printed form early in 1962.

EDWARD CHASE
A. LINWOOD ELLIS
RONALD A. FORTH
WILFRED J. BROWN

REPORT OF PLYMOUTH HOUSING AUTHORITY FOR THE YEAR 1961

The Housing Authority continued to maintain full occupancy of the Veterans' Housing Project at Olmstead Terrace and Standish Court throughout the year. No change was made in the rent charges and limitations as reported in previous reports. Average shelter rent during the year was \$40.25 per month.

The Town Meeting in March approved the erection of a Housing Project for the Elderly by the Housing Authority and work on such a project was begun immediately. A tract of slightly over five acres of land has been purchased in North Plymouth, just north of Castle Street on what has always been known as Castle Hill. The development will bear this name. The tract is especially desirable land with a view of Plymouth Harbor. Prior to the end of the year a contract for financial assistance was entered into between the authority and the Commonwealth of Massachusetts and the Authority borrowed the sum of \$600,000.00 at an interest rate of 1.67% for one year. Plans for the forthcoming project are being developed by Russell W. Anderson and David M. Crawley, Associated Architects, both residents of Plymouth. The 50 units of the Castle Hill development will be incorporated into six two-story buildings in a circular pattern. Each of the tenants will have an apartment consisting of a living room, bedroom, kitchen and bathroom, which will be provided with all utilities by the Housing Authority. Applications are still being received for apartments. The requirements for acceptance as a tenant are as follows: The applicant must be over 65 years of age, or married to a person over 65 years of age, a citizen of

Plymouth, and having an income of less than \$2500 if single or less than \$3000 if married. There are no restrictions whatever as to the source of the income.

The Authority is making every effort to have its new project completed and occupied by the end of the calendar year 1962.

Respectfully submitted,

Plymouth Housing Authority

ANNUAL REPORT — 1961
BOARD OF PARK COMMISSION

WILLIAM JOHN DRIES

The entire personnel of the Park Department notes with deepest sorrow the death on May 16, 1961 of Willaim John Dries, an employee of the department for six years. Mr. Dries, a laborer, made his home at 25 Middle St. He died at the Veterans Administration Hospital in Roxbury after an illness of many weeks and months.

This department has the care, maintenance and improvement program of:

Sixteen public parks	Eight public playgrounds
Five public bathing beaches	One tent-floor camp area
Two public trailer camps	Two picnic areas
Seventeen Town Owned Buildings	

Although not under its jurisdiction, this department has the care, maintenance and upkeep of the Training Green, Depot Park, each of the traffic circles at Town Wharf, Shirley Square and Governor Carver Square.

Much has been accomplished during the past year due to a well executed daily job plan and working schedule set up by the department superintendent.

Briefly, a few of these achievements together with some of the standard job responsibilities carried out during 1961:

Parks and Gardens: New bridges were erected over Town Brook both at Brewster Garden and at Spooner Park. A much needed dredging was carried out at the lower end of Town Brook. A portion of the stonewall of Town Brook at the northeasterly end was repaired and

throughout the Brewster Garden area shrubs and trees were planted with an entrance made to Brewster Garden from Leyden Street.

Bathing and Camping: The swim area at Little Pond Grove of Morton Park was enlarged; a natural footpath to serve as a sidewalk was constructed extending from Summer Street to the parking area at the Little Pond bath house; a new raft was built by the department laborers for Fresh Pond at the Indian Reservation camp area; electric plugs for power were installed at the trailer camp area with additional town charges for those who make use of this public utility; campsites have been relocated at Fresh Pond to conform with a zoning regulation now effective with the town having taken over Bartlett Road (the road which passes through the camp) as a town way; and repairs of an extensive nature were made to the roof of the recreational hall at the Indian Reservation camp. At Nelson Street a new piece of fence was erected to complete a full length fence along the south line of the town owned camp property. Throughout the bathing and camp areas the buildings under the park department have had screens and screen doors installed on all buildings.

Playgrounds: New chain link fence erected at Little League field; cement foundations set in to support bleacher seats at Stephensfield; outdoor basketball court erected at South St. playground; electric lights installed in public sanitary at John A. Seiver field; public sanitary and bandstand repaired at Veteran's field; a chain link fence erected about the children's play area at the Holmes Playground (Summer St.).

Others: The Park Department has acquired from the selectmen without any cost of transfer, the public sanitary on Water St. at Town Brook for the purpose of putting it to use by relocating at one of the swim areas at Little Pond in Morton Park.

Through the generous project of the Conservation committee of Plymouth Kiwanis, approximately 200 small trees were planted at Morton Park last September.

The Park Commission reports that the income or receipts of the Park Department for 1961 totalled \$21,946.27, a figure of 28.4% of the department's entire budget spending for the year.

In view of the fact that this department was not subject to any severe criticism throughout the past year, the Commission has reason to believe that it has served the town well and to its best interest.

For such accomplishment, the Park Department wants to thank all those who helped the department in its work throughout the year 1961.

REPORT OF THE BOARD OF RETIREMENT

To the Citizens of the Town of Plymouth:

The Board of Retirement presents herewith its twenty-fifth report covering the activities of the Contributory Retirement System for the year 1961.

We bring to the attention of the members the following amendments to Chapter 32 of the General Laws, enacted in 1961:

Chapter 303. Amends Section 91A with regard to the annual statements of earnings of persons retired for disability.

Chapter 367. Amends Section 91 allowing pensioners to work as election officers at primaries and elections.

Chapter 494. Amends Section 4(2)(c) regarding creditable service.

Chapter 547. Amends Section 12(2)(d) regarding retirement benefits of widows.

We regret to report the death of two active members, John A. Kennedy and William J. Dries, and one pensioner, Milton R. Howland.

REPORT OF ADVISORY AND FINANCE COMMITTEE FOR 1961

Your Advisory and Finance Committee has again this year undertaken its Town-given responsibilities, with the sincere hope that its recommendations will result in betterment of our Town, consistent with the desires of the entire townspeople.

At the outset, it should be understood by all, that this Committee speaks and recommends as a Committee — not as an individual. The pros and cons which shall be heard at Town Meeting are not new to us — we have indeed in many midnight sessions argued the problem — voting as a body only when all known sides have been heard. Our recommendations to the Town are stressed as being collective, rather than individualistic.

Of prime concern to the majority is the subject of remuneration for Town employees. Fortunately, the Town saw fit, in 1950, to accept the establishment of a Personnel Board. Unfortunately, this Personnel Board was not given the mission to include all the Town's employees, elected and otherwise. Likewise, the Personnel Board was not given authority pertaining to establishment of policies providing fair and equal treatment for all Town employees in all departments. A continuing study is being made, resulting, we hope, in future recommendations for your consideration, which shall equalize vacations, overtime, sick-pay, and related matters, on an equal basis for all.

The problems in Plymouth are unique, in that we have a land mass of great extent, harboring a fluid population based in numbers principally in direct proportion to the length of

the summer season. We must provide all the normal protections, plus attend to the highway and road requirements of these transient taxpayers as indeed we do to our permanent population. Unfortunately, we have not, to date, been able to entice new industries to build within our confines, and therefore are faced with ever-increasing expenditures, resulting in higher taxation which must be assessed primarily to a static population. We should, therefore, recognize immediately that which is beneficial to all (or to the majority), and likewise postpone that which is important only to the few (or to the minority). Our recommendations are based on collective study and do pertain, to the best of our knowledge, to those problems applicable to the majority.

In long range planning, we recognize the importance of the Planning Board, the Industrial Commission, the Urban Redevelopment Authority, and other appointed committees. We would suggest that, as early as possible, a member of the Finance and Advisory Committee be either appointed to sit as a member or as an interested party, for the sole purpose of providing liaison on those plans involving future expenditures.

This Committee is greatly interested in maintaining the mutual respect presently enjoyed between its body and that of the Town's many departments. To increase this respect, and to increase the Town's efficiency, we offer our services at any time of the year — bearing in mind that we enter into any conference solely with the Town's interest at heart.

We wish to publicly thank all of the elected officials, the Town's department heads, and, indeed, all of the Town's citi-

zens, in recognizing that we, as a body, have again this year come before you with the following recommendations, based solely on our studies and collective reasoning.

Respectfully submitted,

CHARLES C. HENDERSON, Chairman
R. DOROTHY CANUCCI
ROBERT CARTMELL
LESLIE W. MacLEAN
RONALD W. BUTTERFIELD

DONALD A. NEWEY	HAROLD T. MACCAFERRI

Attested: Victoria B. Engstrom, Secretary

SUMMARY OF COMMITTEE RECOMMENDATIONS

Article 7	\$3,191,062.58	
Special Articles	347,440.00	
State and County Assessments (net)	231,358.52	
Overlay Deficit — 1957	609.31	
Overlay Deficit — 1959	465.76	
Overlay for 1961 — (estimate)	85,000.00	
		<hr/>
Total Recommended Expenditures		\$3,855,936.17
Estimated Receipts	\$1,142,476.00	
Excess and Deficiency (Articles 17, 92)	144,000.00	
Parking Meter Receipts (Article 7)	7,175.00	
Parking Lot Receipts (Main St. Ext.) (Article 7)	6,000.00	
Sale of Cemetery Lots and Graves Fund (Article 28)	1,000.00	
Waterfront Protection (Article 64)	20,000.00	
		<hr/>
Total from sources other than Tax Levy		\$1,320,651.00
		<hr/>
Net to be raised		\$2,535,285.17
1961 Poll Tax (Estimate)		9,000.00
		<hr/>
Balance from Real and Personal		\$2,526,285.17

Based on the 1960 valuation of \$38,935,875, this total will require a tax rate of approximately \$64.60. An increase of \$1,000,000 in the valuation would reduce the tax rate by approximately \$1.60, while a decrease of \$1,000,000 in valuation would increase the rate by approximately \$1.70.

Each \$39,000 added to or subtracted from the net total above would increase or decrease the tax rate approximately \$1.00.
